(Education Code 48232, 48416)

A written agreement shall be entered into that is signed by the student's parent/guardian, the principal or designee of the school which the student would otherwise attend, a classroom teacher familiar with the student's academic progress, and the district's supervisor of child welfare and attendance. 1. The purpose of the leave
2. The length of the leave
3. Provision for a meeting or contact between the student and a designated school official at least once a month while the student is on leave
4. A statement that the leave is for the purpose of supervised travel, study, training, or work not available to the student under another educational option

The length of the leave may be up to one semester, or up to two semesters for a continuation education student. The leave may be extended for an additional semester upon approval of all parties to the written agreement and the local school attendance review board. No leave of absence may be taken that would continue past the end of the school year in which the leave is taken. (Education Code 48232, 48416)

(cf. 5113.1 - Chronic Absence and Truancy)

The student shall be permitted to return to school at any time and shall not be prevented from completing his/her academic requirements within a time period equal to that of his/her classmates who did not take leave, plus a period of time equal to the leave of absence. The Board desires to ensure that all students attend school in accordance with the state's compulsory education law and take full advantage of educational opportunities provided by the district.

(cf. 5113 - Absences and Excuses)

The Superintendent or designee shall establish a system to accurately track student attendance in order to identify individual students classified as chronic absentees and truants, as defined in law and administrative regulation.

The Superintendent or designee shall develop strategies that focus on prevention of attendance problems, which may include, but are not limited to, efforts to provide a safe and positive school environment, relevant and engaging learning experiences, school activities that help develop students' feelings of connectedness with the school, school-based health services, and incentives and rewards to recognize students who achieve excellent attendance or demonstrate significant improvement in attendance. The Superintendent or designee also shall develop strategies that enable early outreach to students as soon as they show signs of poor attendance.

(cf. 5141.6 - School Health Services)
(cf. 5145.3 - Nondiscrimination/Harassment)

The Superintendent or designee shall work with students, parents/guardians, school staff, and community agencies, as appropriate, to identify factors contributing to chronic absence and truancy. He/she also may collaborate with child welfare services, law enforcement, courts, public health care agencies, other government agencies, and/or medical, mental health, and oral health care providers to ensure that alternative educational programs and nutrition, health care, and other support services are available for students and families and to intervene as necessary

when students have serious attendance problems.

Students who are identified as truants shall be subject to the interventions specified in law and administrative regulation.

A student's truancy, tardiness, or other absence from school shall not be the sole basis for his/her out-of-school suspension or expulsion. Alternative disciplinary strategies and positive reinforcement for attendance shall be used whenever possible.

- (cf. 5144 - Discipline)
- (cf. 5144.1 - Suspension and Expulsion/Due Process)

The Superintendent or designee shall regularly analyze data on student absence to identify patterns of absence districtwide and by school, grade level, and student population. Such data shall be used to identify common barriers to attendance, prioritize resources for intervention, and monitor progress over time. The Superintendent or designee shall periodically report this information to the Board for purposes of evaluating the effectiveness of strategies implemented to reduce chronic absence and truancy and making changes as needed. As appropriate, the Superintendent or designee also shall provide this information to key school staff and community agency partners to engage them in program evaluation and improvement and in identification of how to best allocate available community resources.

School Attendance Review Board

In accordance with law and administrative regulation, habitual truants may be referred to a

school attendance review board (SARB).

The Board may submit a nomination to the County Superintendent of Schools for a person who will serve on the county SARB as a representative of school districts. (Education Code 48321)

Involuntary Student Transfers

BP 5116.2

Students

The Governing Board desires to enroll students in the school of their choice, but recognizes that circumstances sometimes necessitate the involuntary transfer of some students to another school or program in the district. The Superintendent or designee shall develop procedures to facilitate the transition of such students into their new school of enrollment.

(cf. 5113.1 - Chronic Absence and Truancy)

(cf. 5116.1 - Intradistrict Open Enrollment)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

(cf. 6173.3 - Education for Juvenile Court School Students)

As applicable, when determining the best placement for a student who is subject to involuntary transfer, the Superintendent or designee shall review all educational options for which the student is eligible, the student's academic progress and needs, the enrollment capacity at district schools, and the availability of support services and other resources.

Whenever a student is involuntarily transferred, the Superintendent or designee shall provide timely written notification to the student and his/her parent/guardian and an opportunity for the student and parent/guardian to meet with the Superintendent or designee to discuss the transfer.

Students Convicted of Violent Felony or Misdemeanor

A student may be transferred to another district school if he/she is convicted of a violent felony, as defined in Penal Code 667.5(c), or a misdemeanor listed in Penal Code 29805 and is enrolled at the same school as the victim of the crime for which he/she was convicted. (Education Code 48929)

Before transferring such a student, the Superintendent or designee shall attempt to resolve the conflict using restorative justice, counseling, or other such services. He/she shall also notify the student and his/her parents/guardians of the right to request a meeting with the principal or designee. (Education Code 48929)

(cf. 5138 - Conflict Resolution/Peer Mediation)

(cf. 5144 - Discipline)

(cf. 6164.2 - Guidance and Counseling Services)

Participation of the victim in any conflict resolution program shall be voluntary, and he/she shall not be subjected to any disciplinary action for his/her refusal to participate in conflict resolution.

The principal or designee shall submit to the Superintendent or designee a recommendation as to whether or not the student should be transferred. If the Superintendent or designee determines that a transfer would be in the best interest of the students involved, he/she shall submit such recommendation to the Board for approval.

The Board shall deliberate in closed session to maintain the confidentiality of student information, unless the parent/guardian or adult student submits a written request that the matter be addressed in open session and doing so would not violate the privacy rights of any other student. The Board's decision shall be final.

(cf. 9321 - Closed Session Purposes and Agendas)

The decision to transfer a student shall be subject to periodic review by the Superintendent or designee.

The Superintendent or designee shall annually notify parents/guardians of the district's policy authorizing the transfer of a student pursuant to Education Code 48929. (Education Code 48980)

(cf. 5145.6 - Parental Notifications)

Other Involuntary Transfers

Students may be involuntarily transferred under either of the following circumstances:

1. If a high school student commits an act enumerated in Education Code 48900 or is habitually truant or irregular in school attendance, he/she may be transferred to a continuation school. (Education Code 48432.5)

(cf. 6184 - Continuation Education)

2. If a student is expelled from school for any reason, is probation-referred pursuant to Welfare and Institutions Code 300 or 602, or is referred by a school attendance review board or another formal district process, he/she may be transferred to a community day school. (Education Code 48662)

Administrative Regulation

Interdistrict Attendance

AR 5117
Students

Interdistrict Attendance Permits

In accordance with an agreement between the Governing Board and the board of another district, a permit authorizing a student's attendance outside his/her district of residence may be issued upon approval of both the district of residence and the district of proposed attendance.

The Superintendent or designee may approve an interdistrict attendance permit for a student for any of the following reasons when stipulated in the agreement:

1. When the student has been determined by staff of either the district of residence or district of proposed attendance to be a victim of an act of bullying as defined in Education Code 48900(r). Such a student shall be given priority for interdistrict attendance under any existing interdistrict attendance agreement or, in the absence of an agreement, shall be given consideration for the creation of a new permit. (Education Code 46600)

(cf. 5131.2 - Bullying)

2. To meet the child care needs of the student. Such a student may be allowed to continue to attend district schools only as long as he/she continues to use a child care provider within district boundaries.

3. To meet the student's special mental or physical health needs as certified by a physician, school psychologist, or other appropriate school personnel.
(cf. 6159 - Individualized Education Program)

4. When the student has a sibling attending school in the receiving district, to avoid splitting the family's attendance.

5. To allow the student to complete a school year when his/her parents/guardians have moved out of the district during that year.

6. To allow the student to remain with a class graduating that year from an elementary, middle, or senior high school.

7. To allow a high school senior to attend the same school he/she attended as a junior, even if his/her family moved out of the district during the junior year.

8. When the parent/guardian provides written evidence that the family will be moving into the district in the immediate future and would like the student to start the year in the district.
9. When the student will be living out of the district for one year or less.
10. When recommended by the school attendance review board or by county child welfare, probation, or social service agency staff in documented cases of serious home or community problems which make it inadvisable for the student to attend the school of residence.

(cf. 5113.1 - Chronic Absence and Truancy)

The Superintendent or designee may deny initial requests for interdistrict attendance permits due to limited district resources, overcrowding of school facilities at the relevant grade level, or other considerations that are not arbitrary. However, once a student is admitted, the district may not deny him/her continued attendance because of overcrowded facilities at the relevant grade level.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Within 30 days of a request for an interdistrict permit, the Superintendent or designee shall notify the parents/guardians of a student who is denied interdistrict attendance regarding the process for appeal to the County Board of Education as specified in Education Code 46601. (Education Code 46601)

(cf. 5145.6 - Parental Notifications)

Pending a decision by the two districts or an appeal by the County Board, the Superintendent or designee may provisionally admit a student who resides in another district for a period not to exceed two school months. (Education Code 46603)

Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials or decisions while expulsion proceedings are pending or during the term of the expulsion. (Education Code 46601)

(cf. 5119 - Students Expelled from Other Districts)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

Once a student is admitted to a school on the basis of an interdistrict attendance permit, he/she shall not be required to reapply for an interdistrict transfer and shall be allowed to continue to attend the school in which he/she is enrolled, unless reapplication standards are otherwise specified in the interdistrict attendance agreement. Existing interdistrict attendance permits shall not be rescinded for students entering grade 11 or 12 in the subsequent school year. (Education Code 46600)

Interdistrict Attendance

BP 5117 **Students**

The Governing Board recognizes that parents/guardians of students who reside in one district may, for a variety of reasons, choose to enroll their child in a school in another district.

Interdistrict Attendance Permits

The Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts. (Education Code 46600)

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed to by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

Transportation

The district shall not provide transportation beyond any school attendance area. Upon request, the Superintendent or designee may authorize transportation for interdistrict transfer students to and from designated bus stops within the attendance area if space is available.

Limits on Student Transfers Out of the District to a School District of Choice

The Superintendent or designee may limit the number of student transfers out of the district to a school district of choice based on the percentages of average daily attendance specified in Education Code 48307.

In addition, transfers out of the district may be limited during a fiscal year when the County Superintendent of Schools has given the district a negative budget certification or when the County Superintendent has determined that the district will not meet the state's standards and criteria for fiscal stability in the subsequent fiscal year exclusively as a result of student transfers from this district to a school district of choice. (Education Code 48307)

(cf. 3100 - Budget)

(cf. 3460 - Financial Reports and Accountability)

The district may deny a transfer of a student out of the district to a school district of choice if the Board determines that the transfer would negatively impact a court-ordered or voluntary desegregation plan of the district. (Education Code 48301)

Note: The following optional paragraph is for use by districts that maintain high schools and choose to assign extra grade weighting to Advanced Placement, International Baccalaureate, honors, or concurrent postsecondary courses.

Because of the more rigorous nature of Advanced Placement, International Baccalaureate, honors, and concurrent postsecondary courses, students receiving a grade of A, B, or C in those courses shall receive extra grade weighting as follows:

Grade:	Percentage:	Achievement:	Grade Points:

No grade of a student participating in a physical education class may be adversely affected due to the fact that the student, because of circumstances beyond his/her control, does not wear standardized physical education apparel. (Education Code 49066)

(cf. 6142.7 - Physical Education and Activity)

Student performance in high school physical education courses shall be based upon evaluation of the student's individual progress, attainment of goals in each instructional area, tests designed to determine skill and knowledge, and physical performance tests. (5 CCR 10060)

High school students using interscholastic athletic participation to fulfill physical education requirements, as authorized by Education Code 51242, may be graded on this participation provided that a teacher credentialed to teach physical education supervises this participation and assigns the grade.

(cf. 6145.2 - Athletic Competition)

Grades for College Courses

When the district has approved a student to receive district credit for coursework completed at a community college or four-year college, he/she shall receive the same letter grade as is granted by the college.

Grades for Citizenship, Study Skills, and Effort

Grades for citizenship, study skills, and effort shall be reported as follows:

- O Outstanding
- S Satisfactory
- N Needs Improvement

Pass/Fail Grading

The Superintendent or designee may identify courses or programs for which students may, with parent/guardian permission, elect to earn a Pass or Fail grade instead of a letter grade. Students who receive a Pass grade shall acquire the appropriate semester units of credit for the course. The grade shall not be counted in determining class rank, honors list, or membership in the California Scholarship Federation. Students who receive a Fail grade shall not receive credit for taking the course.

Peer Grading

At their discretion, teachers may use peer grading of student tests, papers, and assignments as appropriate to reinforce lessons.

Repeating Classes

With the approval of the principal or designee, a student may repeat a course in order to raise his/her grade. Both grades received shall be entered on the student's transcript, but the student shall receive credit only once for taking the course. The highest grade received shall be used in

determining the student's overall grade point average (GPA).

Withdrawal from Classes

A student who drops a course during the first six weeks of the grading period may do so without any entry on his/her permanent record card. A student who drops a course after the first six weeks of the grading period shall receive an F grade on his/her permanent record, unless otherwise decided by the principal or designee because of extenuating circumstances.

Effect of Absences on Grades

Teachers who may choose to withhold class credit because of excessive unexcused absences shall so inform students and parents/guardians of such a possibility at the beginning of the school year or semester. When a student reaches the number of unexcused absences defined as excessive in Board policy, the student and parent/guardian shall again be notified of the district's policy regarding excessive unexcused absences. (cf. 5113 - Absences and Excuses)

The student and parent/guardian shall have a reasonable opportunity to explain the absences. (Education Code 49067)

If a student receives a failing grade because of excessive unexcused absences, the student's record shall specify that the grade was assigned because of excessive unexcused absences. (Education Code 49067)

Grades for a student in foster care shall not be lowered if the student is absent for any reason specified in Education Code 49069.5.

(cf. 6173.1 - Education for Foster Youth)

Grade Point Average

The Superintendent or designee shall calculate each student's GPA using the grade point assigned to each letter grade in accordance with the scale described in the section "Grades for Achievement" above. The grade points for all applicable coursework shall be totaled and divided by the number of courses completed. Pass/Fail grades shall not be included in the determination of a student's GPA.

(cf. 5126 - Awards for Achievement)
(cf. 6145 - Extracurricular and Cocurricular Activities)

When plus and minus designations are added to letter grades, they shall not be considered in determining GPA.

Each academic year, the Superintendent or designee shall provide to the Student Aid

Commission the GPA of all district students in grade 12, except for students who have opted out or are permitted by the rules of the Student Aid Commission to provide test scores in lieu of the GPA. (Education Code 69432.9)

Cuyama Joint Unified School District Board Policy

Grades/Evaluation Of Student Achievement

BP 5121 Students

The Governing Board believes that grades serve a valuable instructional purpose by helping students and parents/guardians understand performance expectations and identifying the student's areas of strength and those areas needing improvement. Parents/guardians and students have the right to receive course grades that represent an accurate evaluation of the student's achievement.

(cf. 5020 - Parent Rights and Responsibilities)
(cf. 5125.2 - Withholding Grades, Diploma or Transcripts)

The Superintendent or designee shall establish a uniform grading system based on standards that apply to all students in that course and grade level. Principals and teachers shall ensure that student grades conform to this system. Teachers shall inform students and parents/guardians how student achievement will be evaluated in the classroom.

A teacher shall base a student's grades on impartial, consistent observation of the quality of the student's work and his/her mastery of course content and district standards. Students shall have the opportunity to demonstrate this mastery through a variety of methods such as classroom participation, homework, tests, and portfolios.

(cf. 6011 - Academic Standards)
(cf. 6162.5 - Student Assessment)

The teacher of each course shall determine the student's grade. The grade assigned by the teacher shall not be changed by the Board or the Superintendent except as provided by law, Board policy, or administrative regulation. (Education Code 49066)

(cf. 5125.3 - Challenging Student Records)

Students in grades K-3 shall receive progress reports rather than letter grades.

When reporting student performance to parents/guardians, teachers may add narrative descriptions, observational notes, and/or samples of classroom work in order to better describe student progress in specific skills and subcategories of achievement.

A report card for a student with a disability may contain information about his/her disability, including whether that student received special education or related services, provided that the report card informs parents/guardians about their child's progress or level of achievement in

specific classes, course content, or curriculum. However, transcripts that may be used to inform postsecondary institutions or prospective employers of the student's academic achievements shall not contain information disclosing the student's disability.

(cf. 5125 - Student Records)
(cf. 6159 - Individualized Education Program)
(cf. 6164.6 - Identification and Education Under Section 504)

Effect of Absences on Grades

If a student misses class without an excuse and does not subsequently turn in homework, take a test, or fulfill another class requirement which he/she missed, the teacher may lower the student's grade for nonperformance.

(cf. 6154 - Homework/Makeup Work)

The Board believes 10 unexcused absences per grading period (quarter) at the high school and 13 unexcused absences per grading period (trimester) at the elementary school constitute excessive unexcused absences. Students with excessive unexcused absences may receive a failing grade and not receive credit for the class(es).

(cf. 5113 - Absences and Excuses)

Grade Point Average

The Superintendent or designee shall determine the methodology to be used in calculating students' grade point averages (GPA), including the courses to be included within the GPA and whether extra grade weighting shall be applied to Advanced Placement, International Baccalaureate, honors, and/or concurrent postsecondary courses.

Students

Acceleration from Kindergarten to First Grade

Any student who meets the age eligibility requirement and has completed one year of kindergarten shall be admitted to first grade unless the parent/guardian and the Superintendent or designee agree that the student shall continue in kindergarten. (Education Code 48010, 48011)

(cf. 5111 - Admission)

A student who does not meet the age eligibility requirement may be admitted to first grade at the discretion of the Superintendent or designee and with the consent of the parent/guardian upon determination that the student is ready for first-grade work, subject to the following minimum criteria: (Education Code 48011; 5 CCR 200)

1. The student is at least five years of age.
2. The student has attended a public school kindergarten for a long enough time to enable school personnel to evaluate his/her ability.
3. The student is in the upper five percent of his/her age group in terms of general mental ability.
4. The physical development and social maturity of the student are consistent with his/her advanced mental ability.
5. The parent/guardian of the student has filed a written statement with the district approving the placement in first grade.

Continuation in Kindergarten

Whenever the Superintendent or designee and the parents/guardians agree that a student shall continue in kindergarten for an additional year, the Superintendent or designee shall secure an agreement, signed by the parent/guardian, stating that the student shall continue in kindergarten for not more than one additional school year. (Education Code 46300, 48011)

The Superintendent or designee shall not approve a student's continuation in kindergarten until the student has been enrolled in kindergarten for close to one school year.

Retention at Other Grade Levels

If a student is identified as performing below the minimum standard for promotion to the next grade level based on the indicators specified in Board policy, the student shall be retained in his/her current grade level unless the student's regular classroom teacher determines, in writing, that retention is not the appropriate intervention for the student's academic deficiencies. This determination shall specify the reasons that retention is not appropriate for the student and shall include recommendations for interventions other than retention that, in the opinion of the teacher, are necessary to assist the student in attaining acceptable levels of academic achievement. (Education Code 48070.5)

(cf. 5121 - Grades/Evaluation of Student Achievement)

(cf. 6162.5 - Student Assessment)

(cf. 6162.51 - State Academic Achievement Tests)

If the teacher's recommendation to promote is contingent on the student's participation in a summer school or interim session remediation program, the student's academic performance shall be reassessed at the end of the remediation program, and the decision to retain or promote the student shall be reevaluated at that time. The teacher's evaluation shall be provided to and discussed with the student's parents/guardians and the principal before any final determination of retention or promotion. (Education Code 48070.5)

(cf. 6176 - Weekend/Saturday Classes)

(cf. 6177 - Summer Learning Programs)

(cf. 6179 - Supplemental Instruction)

When a student is identified as being at risk of retention, the Superintendent or designee shall so notify the student's parent/guardian as early in the school year as practicable. The student's parent/guardian shall be provided an opportunity to consult with the teacher(s) responsible for the decision to promote or retain the student. (Education Code 48070.5)

(cf. 5145.6 - Parental Notifications)

The Superintendent or designee shall also provide a copy of the district's promotion/retention policy and administrative regulation to those parents/guardians who have been notified that their child is at risk of retention.

Appeal Process

Whenever a student's parent/guardian appeals the teacher's decision to promote or retain a student, the burden shall be on the parent/guardian to show why the teacher's decision should be

overruled. (Education Code 48070.5)

To appeal a teacher's decision, the parent/guardian shall submit a written request to the Superintendent or designee specifying the reasons that the teacher's decision should be overruled. The appeal must be initiated within 10 school days of the determination of retention or promotion.

The teacher shall be provided an opportunity to state orally and/or in writing the criteria on which his/her decision was based.

Within 30 days of receiving the request, the Superintendent or designee shall determine whether or not to overrule the teacher's decision. Prior to making this determination, the Superintendent or designee may meet with the parent/guardian and the teacher. If the Superintendent or designee determines that the parent/guardian has overwhelmingly proven that the teacher's decision should be overruled, he/she shall overrule the teacher's decision.

The Superintendent or designee's determination may be appealed by submitting a written appeal to the Governing Board within 15 school days. Within 30 days of receipt of a written appeal, the Board shall meet in closed session to decide the appeal. The Board's decision may be made on the basis of documentation prepared as part of the appeal process or, at the discretion of the Board, the Board may also meet with the parent/guardian, the teacher, and the Superintendent or designee to decide the appeal. The decision of the Board shall be final.

(cf. 9321 - Closed Session Purposes and Agendas)
(cf. 9321.1 - Closed Session Actions and Reports)

If the final decision is unfavorable to the parent/guardian, he/she shall have the right to submit a written statement of objections which shall become part of the student's record.

- a) Failure to meet the goals of Response to Instruction/Intervention (RtI/I);
- b) recommendation of the Student Study Team (SST); and/or
- c) failure to meet minimum levels of proficiency, as indicated by the results of state assessments administered pursuant to Education Code 60640-60649.

(cf. 5149 - At-Risk Students)

(cf. 6162.5 - Student Assessment)

(cf. 6162.51 - State Academic Achievement Tests)

Students between grades 2 and 3 and grades 3 and 4 shall be identified primarily on the basis of their level of proficiency in reading. Proficiency in reading, English language arts, and mathematics shall be the basis for identifying students between grades 4 and 5, between intermediate and middle school grades, and between middle school grades and high school grades. (Education Code 48070.5)

(cf. 6142.91 - Reading/Language Arts Instruction)

(cf. 6142.92 - Mathematics Instruction)

The teacher's decision to promote or retain a student may be appealed in accordance with AR 5123 - Promotion/Acceleration/Retention.

When authorized by law for any program audit, educational research, or other purposes, the Superintendent or designee may release information from a student record without prior consent of the parent/guardian or adult student after the removal of all personally identifiable

information. Prior to releasing such information, the Superintendent or designee shall make a reasonable determination that the student's identity is not personally identifiable, whether through single or multiple releases and taking into account other reasonably available information. (Education Code 49074, 49076; 34 CFR 99.31)

Process for Providing Access to Records

Student records shall be maintained in a central file at the school attended by the student or, when records are maintained in different locations, a notation shall be placed in the central file indicating where other records may be found. Parents/guardians shall be notified of the location of student records if not centrally located. (Education Code 49069; 5 CCR 433)

The custodian of records shall be responsible for the security of student records and shall ensure that access is limited to authorized persons. (5 CCR 433)

The custodian of records shall develop reasonable methods, including physical, technological, and administrative controls, to ensure that school officials and employees obtain access to only those student records in which they have legitimate educational interests. (34 CFR 99.31)

To inspect, review, or obtain copies of student records, authorized persons shall submit a request to the custodian of records. Prior to granting the request, the custodian of records shall authenticate the individual's identity. For any individual granted access based on a legitimate educational interest, the request shall specify the interest involved.

When prior written consent from a parent/guardian is required by law, the parent/guardian shall provide a written, signed, and dated consent before the district discloses the student record. Such consent may be given through electronic means in those cases where it can be authenticated. The district's consent form shall specify the records that may be disclosed, state the purpose of the disclosure, and identify the party or class of parties to whom the disclosure may be made. Upon request by the parent/guardian, the district shall provide him/her a copy of the records disclosed. (34 CFR 99.30)

Within five business days following the date of request, a parent/guardian or other authorized person shall be granted access to inspect, review, and obtain copies of student records during regular school hours. (Education Code 49069)

Qualified certificated personnel shall be available to interpret records when requested. (Education Code 49069)

The custodian of records or the Superintendent or designee shall prevent the alteration, damage, or loss of records during inspection. (5 CCR 435)

Access Log

A log shall be maintained for each student's record which lists all persons, agencies, or

organizations requesting or receiving information from the records and the legitimate educational interest of the requester. (Education Code 49064)

In every instance of inspection by persons who do not have assigned educational responsibility, the custodian of records shall make an entry in the log indicating the record inspected, the name of the person granted access, the reason access was granted, and the time and circumstances of inspection. (5 CCR 435)

The log may include record of access by: (Education Code 49064)

To provide copies of any student record, the district shall charge a reasonable fee not to exceed the actual cost of providing the copies. No charge shall be made for providing up to two transcripts or up to two verifications of various records for any former student. No charge shall be made to locate or retrieve any student record. (Education Code 49065)

Only a parent/guardian having legal custody of a student or an adult student may challenge the content of a record or offer a written response to a record. (Education Code 49061)

(cf. 5125.3 - Challenging Student Records)

No additions except routine updating shall be made to a student's record after high school graduation or permanent departure without prior consent of the parent/guardian or adult student. (5 CCR 437)

A student's legal name or gender as entered on the mandatory student record required pursuant to

5 CCR 432 shall only be changed pursuant to a court order. However, at the written request of a student or, if appropriate, his/her parents/guardians, the district shall use the student's preferred name and pronouns consistent with his/her gender identity on all other district-related documents.

PARENT/GUARDIAN NOTICE

RELEASE OF DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that Cuyama Joint Unified School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the district may disclose appropriately designated "directory information" without written consent, unless you have advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow the district to include this type of information from your child's education records in certain school and/or district publications. Examples include:

- * a playbill, showing your child's role in a drama production
- * the annual yearbook
- * honor roll or other recognition lists
- * graduation programs
- * sports activity sheets, such as for wrestling, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent/guardian's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require districts receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with students' names, addresses, and telephone listings, unless parents/guardians have advised the district that they do not want their child's information disclosed without their prior written consent.

If you do not want the district to disclose directory information from your child's education records without your prior written consent, you must notify the district in writing by March 1st of the preceding year. The district has designated the following information as directory information:

1. Name
2. Address

3. Telephone number
4. Email address
5. Date of birth
6. Major field of study
7. Participation in officially recognized activities and sports
8. Weight and height of athletic team members
9. Dates of attendance
10. Degrees and awards received
11. Most recent previous school attended

The district also may disclose your child's student identification number, user identification, or other unique personal identifier used to communicate in electronic systems, provided it cannot be used to access education records without a personal identification number (PIN), password, or other factor that only the authorized user knows. Your child's social security number will not be used for this purpose.

Students

The Governing Board is committed to maximizing the health and safety of district students and recognizes the district's role in helping to protect students from the dangers associated with illegal drug use and drug abuse. To support the district's substance abuse prevention efforts, the Board desires to establish a drug testing program in the district's high schools that will provide a deterrent from drug use and help refer drug users to appropriate counseling and rehabilitative services.

(cf. 5131.6 - Alcohol and Other Drugs)

(cf. 5131.63 - Steroids)

The Superintendent or designee shall establish a nonvoluntary, drug testing program for all students participating in athletics:

(cf. 3260 - Fees and Charges)

(cf. 6145 - Extracurricular and Cocurricular Activities)

(cf. 6145.2 - Athletic Competition)

Prior to implementing the drug testing program, the Superintendent or designee shall invite input from students, staff, parents/guardians, community leaders, and representatives of local healthcare agencies, community service agencies and businesses. The district's program shall be developed in consultation with drug treatment and prevention professionals, the laboratory contracted to conduct the tests, and district legal counsel.

The Superintendent or designee shall develop:

1. A drug testing consent form to be signed by the student and his/her parent/guardian prior to allowing the student to participate in any athletic or extracurricular activity listed above

The consent form shall indicate any prescription medication the student has been or is presently taking. The student shall present either a copy of the prescription or a physician's written verification of this fact with the consent form.

2. Procedures addressing how students will be selected, how often tests will be conducted, how samples will be collected and transported, and how results will be confirmed

Drug testing procedures shall ensure appropriate individual privacy while maintaining the

viability of the process. If urinalysis testing is used, the supervisor collecting the specimen shall be the same gender as the student and the specimen shall be collected in a private facility behind a closed stall.

Parents/guardians shall be notified after any positive test results are confirmed. Test results shall be kept separate from the student's other educational records and shall be disclosed only to school staff designated by the Superintendent or designee as responsible for program implementation. The district shall not release test results to law enforcement authorities.

(cf. 5125 - Student Records)

No disciplinary or punitive action shall be taken against any student who tests positive, other than removing him/her from participation in extracurricular activities. Students who test positive shall be encouraged to participate in an assistance program and may be required to take subsequent drug tests. A student who has been removed from participation in extracurricular activities may appeal that decision to the Superintendent or designee and then to the Board.

Students and parents/guardians shall receive a copy of the district's policy and procedures on drug testing. In addition, at the beginning of the school year and prior to the commencement of the drug testing program, the Superintendent or designee shall conduct an orientation session with students participating in athletics and extracurricular activities and their parents/guardians. This session shall explain the district's policy and outline the procedures for drug testing and the consequences if a positive result is obtained.

The Superintendent or designee shall provide training to principals, coaches and staff advisors regarding the district's drug testing program.

He/she also shall not accept tobacco-use prevention or intervention funds or materials from the tobacco industry or from any entity which has received funding from the tobacco industry.

(cf. 1325 - Advertising and Promotion)
(cf. 3290 - Gifts, Grants and Bequests)
(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

Program Evaluation

To evaluate the effectiveness of the district's program and ensure accountability, the Superintendent or designee shall biennially administer the California Healthy Kids Survey or other appropriate student survey at selected grade levels in order to assess student attitudes toward tobacco and student use of tobacco. He/she also shall annually report to the Board, and to the CDE if required, the data specified in Health and Safety Code 104450.

(cf. 0500 - Accountability)
(cf. 5022 - Student and Family Privacy Rights)
(cf. 6162.8 - Research)

The results of program evaluations shall be used to refine program goals and objectives and make changes as needed to strengthen program implementation.

Cuyama Joint Unified School District Board Policy

Student-Athlete Drug Policy

BP 5131.64

Students

Cuyama Joint Unified School District requires that all students representing their school, in athletics, remain drug free while participating in sports. An athlete should realize that the use of drugs is detrimental to his/her health and performance, and must agree not to use such substances while involved in high school athletics.

In order to accomplish these goals, the Cuyama Unified School District has enacted a policy regarding involvement with drugs at school. In addition, the district requires that athletes in the district participate in random drug testing.

Student-Athlete Random Drug Testing

Policy Statement:

In order to provide for the health and safety of the individual athlete and other athletes, to provide a legitimate reason for students to say “no” to drug use and to provide an opportunity for those taking drugs to receive help in locating a program of assistance, the district is conducting a mandatory drug testing program for student-athletes.

Definitions:

Consent:

The parent and or guardian and the student-athlete are required to sign written consent for drug testing prior to participating in the athlete program.

Medication:

Student-athletes who have taken or are currently taking prescription medication must declare this fact on the day of testing. The student must provide verification (either by a copy of the prescription or by doctor’s authorization) if the drug test is positive. Students who refuse to provide verification will be subject to actions specified below.

Student Selection:

All student-athletes may be tested at the beginning of the individuals’ first season of participation. Random testing will be conducted during the sports season.

Positive Test:

If the student-athletes’ test indicates positive results, the sample will be sent to a professional laboratory for verification, unless the student-athlete verifies the positive test result. All involved (student-athlete, parent, coach, and administration) will be notified

only if the lab results come back positive. The refusal by a student-athlete to take a urine-test will be considered the equivalent of a positive test.

Policy:

- I. All student-athletes and their parents must give written consent for drug testing prior to participation in sports.
- II. All athletes will be tested (mandatory) at the beginning of the season. If a student comes out to the team late, this individual will be tested at that time. If the student-athlete refuses initial test, it will incur ineligibility for the remainder of the season.
- III. Testing will be performed randomly throughout the remainder of the year (including post season competitions).
- IV. Testing will be administered by the athletic director and by a male or female administrator.
- V. If a positive test occurs:

First Time

Athlete is suspended from game play until a negative result is obtained. Athlete will be retested at, or around, 25 days. (An athlete may volunteer for earlier testing during this period. Any positive test will result in ineligibility for the remainder of the year.)

Second Time

The athlete will be excluded from all athletics for the remaining school year.

- VI. Notification of student-athlete and parent(s)/legal guardian: After confirmation of any positive result, the student-athlete and parent(s)/guardian will be informed of the test result. A conference will be held at which the student-athlete, parent(s)/guardian, athletic director, and an administrator will be present.
- VII. This policy and its application will be reviewed every year.

Board Policy
BP-5132 Student Dress Code

The Governing Board believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or a distraction which would interfere with the educational process.

(cf. 4119.22/4219.22/4319.22 - Dress and Grooming)

(cf. 5145.2 - Freedom of Speech/Expression)

Students and parents/guardians shall be informed about dress and grooming standards at the beginning of the school year and whenever these standards are revised. A student who violates these standards shall be subject to appropriate disciplinary action.

(cf. 5144 - Discipline)

Gang-Related Apparel

The principal, staff and parents/guardians at a school may establish a reasonable dress code that prohibits students from wearing gang-related apparel when there is evidence of a gang presence that disrupts or threatens to disrupt the school's activities. Such a dress code may be included as part of the school safety plan and must be presented to the Board for approval. The Board shall approve the plan upon determining that it is necessary to protect the health and safety of the school's students.

AR-5132 Student Dress Code

In cooperation with teachers, students and parents/guardians, the principal or designee shall establish school rules governing student dress and grooming which are consistent with law, Governing Board policy and administrative regulations. These school dress codes shall be regularly reviewed.

(cf. 0420 - School Plans/Site Councils)

Each school shall allow students to wear sun-protective clothing, including but not limited to hats, for outdoor use during the school day. (Education Code 35183.5)

In addition, the following guidelines shall apply to all regular school activities:

1. Shoes must be worn at all times. Sandals must have heel straps. Thongs or backless shoes or sandals are not acceptable.
2. Clothing, jewelry and personal items (backpacks, fanny packs, gym bags, water bottles etc.) shall be free of writing, pictures or any other insignia which are crude, vulgar, profane or sexually suggestive, which bear drug, alcohol or tobacco company advertising, promotions and likenesses, or which advocate racial, ethnic or religious prejudice.
3. Hats, caps and other head coverings shall not be worn indoors or on buses.
4. Dark glasses shall not be worn in classrooms or offices unless a documented health-related problem exists.
5. Bandanas, hairnets or other head coverings shall not be permitted.
6. Clothes shall be sufficient to conceal undergarments at all times. Clothing shall be fitted and worn as its design was intended. See-through or fishnet fabrics, halter tops, off-the-shoulder or low-cut tops, bare midriffs and skirts or shorts shorter than mid-thigh are prohibited.
7. Pants, shorts, and overalls shall be worn with waistline around the wearer's waist. "Waist" is defined as the area at or above the top of the hips.
8. Pants, shorts, and overalls shall be considered too baggy when the two pants sides seams of an individual pant leg are brought to the front and the mid-thigh and the side seams touch.
9. Gym shorts may not be worn in classes other than physical education.
10. Overall straps must be fastened.
11. Earrings and other body piercing items shall be worn in ears only.
12. Attire that may be used as a weapon shall not be worn (e.g., steel-toed boots, chains, items with spikes or studs, etc.)
13. Hair shall be clean and neatly groomed. Hair may not be sprayed by any coloring that would drip when wet. Haircuts or hairstyles that draw undue attention to the wearer or detract from the educational process shall not be acceptable.
14. Gang-related apparel or paraphernalia, including symbols, emblems, insignia or other gang identifiers, shall not be worn or displayed.

15. This rule prohibits the presence of any apparel, jewelry, accessory, notebook or manner of grooming which, by virtue of its color, arrangement, trademark, or other attribute denotes membership in or affiliation with gangs.
16. Confiscated items shall not be returned to the student. Parents may request return of items from the Superintendent.

Coaches and teachers may impose more stringent dress requirements to accommodate the special needs of certain sports and/or classes.

(cf. 3260 - Fees and Charges)

No grade of a student participating in a physical education class shall be adversely affected if the student does not wear standardized physical education apparel because of circumstances beyond the student's control. (Education Code 49066)

(cf. 5121 - Grades/Evaluation of Student Achievement)

The principal, staff, students and parent/guardians at each school may establish reasonable dress and grooming regulations for times when students are engaged in extracurricular or other special school activities.

Gang-Related Apparel

At individual schools that have a dress code prohibiting gang-related apparel at school or school activities, the principal, staff and parents/guardians participating in the development of the school safety plan shall define "gang-related apparel" and shall limit this definition to apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (Education Code 32282)

Because gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed at least once each semester and updated whenever related information is received.

Students who participate in a nationally recognized youth organization shall be allowed to wear organization uniforms on days when the organization has a scheduled meeting. (Education Code 35183)

Administrative Regulation

Health Examinations

AR 5141.3 **Students**

Cautionary Notice: Government 17581.5 relieves districts from the obligation to perform specified mandated activities when the Budget Act does not provide reimbursement during that fiscal year. The Budget Act of 2014 (SB 852, Ch. 25, Statutes of 2014) extends the suspension of these requirements through the 2014-15 fiscal year. As a result, certain provisions of the following administrative regulation related to scoliosis screening may be suspended.

The principal at each school shall notify parents/guardians of the rights of students and parents/guardians related to health examinations. (Education Code 48980; 20 USC 1232h)

(cf. 5022 - Student and Family Privacy Rights)
(cf. 5141.32 - Health Screening for School Entry)
(cf. 5141.6 - School Health Services)
(cf. 5145.6 - Parental Notifications)

A parent/guardian may annually file with the principal a written statement withholding consent to the physical examination of his/her child. Any such student shall be exempt from any physical examination but shall be subject to exclusion from attendance when contagious or infectious disease is reasonably suspected. (Education Code 49451; 20 USC 1232h)

(cf. 5112.2 - Exclusions from Attendance)
(cf. 5141.22 - Infectious Diseases)
(cf. 5141.26 - Tuberculosis Testing)

Vision Tests

Each student's vision shall be appraised, by the school nurse or other personnel authorized under Education Code 49452, during the kindergarten year or upon first enrollment or entry in a district elementary school and subsequently in grades 2, 5, and 8. However, a student who is tested upon first enrollment or entry in the district in grade 4 or 7 shall not be required to be appraised in the next immediate year. (Education Code 49455)

The vision appraisal shall include tests for visual acuity, including near vision. Male students shall also be tested once for color vision in grade 1 or later and the results of the appraisal shall be entered in the student's health record. (Education Code 49455)

(cf. 5125 - Student Records)

Appraisal of a student's vision may be waived under either of the following conditions:
(Education Code 49455)

1. The student's parent/guardian requests a waiver and presents a certificate from a physician/surgeon, physician assistant, or optometrist showing the results of an examination of the student's vision, including visual acuity and, in male students, color vision.
2. The student's parents/guardians file with the principal a written statement that they adhere to the faith or teachings of any well-recognized religious sect, denomination, or organization and, in accordance with its creed, tenets, or principles depend for healing upon prayer in the practice of their religion.

Visual defects or any other defects found as a result of the vision examination shall be reported to the parent/guardian with a request that remedial action be taken to correct or cure the defect. The report of a visual defect, if made in writing, shall be made on a form prescribed by the Superintendent of Public Instruction. The report shall not include a referral to any private practitioner. However, the student may be referred to a public clinic or diagnostic and treatment center operated by a public hospital or by the state, county, or city department of public health.
(Education Code 49456)

In addition to the vision appraisals described above, the school nurse and/or classroom teacher shall continually and regularly observe students' eyes, appearance, behavior, visual performance, and perception that may indicate vision difficulties. (Education Code 49455)

Hearing Tests

The Superintendent or designee shall provide for the administration of hearing tests to district students by personnel authorized to conduct such testing pursuant to Education Code 49452 and 49454 and in accordance with the procedures specified in 17 CCR 2951.

Each student shall be given a hearing screening test at the following times: (17 CCR 2951)

1. Kindergarten or grade 1
2. Grade 2
3. Grade 5
4. Grade 8
5. Grade 10 or 11
6. Upon first entry into the California public school system

Each student enrolled in a special education program, other than those enrolled because of a

hearing problem, shall be given a hearing test when enrolled in the program and every third year thereafter. Hearing tests may be given more frequently as needed, based on the individualized education program team's evaluation of the student. (17 CCR 2951)

(cf. 6159 - Individualized Education Program)

A follow-up hearing threshold test shall be administered to any student who fails to respond to any of the required frequencies in the screening test or is otherwise determined to need further evaluation. (17 CCR 2951)

The Superintendent or designee shall provide written notification of test results to the parents/guardians of any student who fails the hearing tests. When the test results fall within the levels specified in 17 CCR 2951 or there is evidence of pathology, such as an infection of the outer ear, chronic drainage, or a chronic earache, the notification shall include a recommendation that a further medical and audiological evaluation be obtained. (17 CCR 2951)

The dates and results of all screening tests and copies of threshold tests shall be included in the student's health records. (17 CCR 2951)

The principal or designee shall prepare an annual report of the school hearing testing program, using forms provided by the Department of Health Services, with copies to the Superintendent and the County Superintendent of Schools. (17 CCR 2951)

Scoliosis Screening

Each female student in grade 7 and each male student in grade 8 shall be screened for scoliosis. (Education Code 49452.5)

The parent/guardian of any student suspected of having scoliosis shall receive a notice which includes an explanation of scoliosis and describes the significance of treatment at an early age. This notice shall also describe the public services available for treatment and include a referral to appropriate community resources. (Education Code 49452.5)

Type 2 Diabetes Information

Because type 2 diabetes in children is a preventable and treatable disease, parents/guardians are encouraged to have their child screened by an authorized health care practitioner for risk factors of the disease, including excess weight, and to request tests of their child's blood glucose to determine if he/she has type 2 diabetes or pre-diabetes.

(cf. 5030 - Student Wellness)

The Superintendent or designee shall provide parents/guardians of incoming students in grade 7 with an information sheet developed by the CDE regarding type 2 diabetes, which includes: (Education Code 49452.7)

1. A description of the disease and its risk factors and warning signs
2. A recommendation that students displaying or possibly suffering from risk factors or warning signs associated with type 2 diabetes be screened for the disease
3. A description of the different types of diabetes screening tests available
4. A description of treatments and prevention methods

The information sheet may be provided with the annual parental notifications required pursuant to Education Code 48980. (Education Code 49452.7)

The Superintendent or designee may provide information to parents/guardians regarding public or private sources from which they may receive diabetes screening and education services for free or at reduced costs.

Health Examinations

BP 5141.3 **Students**

The Governing Board recognizes that periodic health examinations of students may lead to early detection and treatment of conditions that impact learning. Health examinations also may help in determining whether special adaptations of the school program are necessary.

The Superintendent or designee shall verify that students have complied with legal requirements for a comprehensive health screening, an oral health assessment, and immunizations at school entry. In addition, the district shall administer tests for vision, hearing, and scoliosis as required by law.

(cf. 5141.31 - Immunizations)
(cf. 5141.32 - Health Screening for School Entry)
(cf. 5141.6 - School Health Services)

All students who participate as cheerleaders, song leaders, or athletes in organized competitive sports shall first undergo a medical examination and submit documentation of medical clearance to the district. This requirement does not apply to participants in occasional play day or field day activities.

(cf. 5143 - Insurance)
(cf. 6145.2 - Athletic Competition)

The Superintendent or designee shall ensure that staff employed to examine students exercise proper care of each student and that examination results are kept confidential. Records related to these examinations shall be maintained and released only in accordance with law.

BP 5141.4 - Information for Parents on Reporting Child Abuse

Students

Child Abuse Reporting Procedures

Note: Pursuant to AB 2232 (Ch. 1102, Statutes of 1991, Education Code 33308.1), the CDE has prepared guidelines advising parents/guardians of procedures for filing child abuse complaints with local child protective agencies. The uncodified portion of AB 2232 requires the district to disseminate these guidelines to parents/guardians upon request in the parent/guardian's primary language. For the CDE guidelines set forth in CDE Legal Advisory LO:3-93, see E 1312.1.

The Governing Board recognizes that the district has a responsibility to facilitate the prompt reporting of incidents of child abuse and neglect. The Superintendent or designee shall ensure that parents/guardians have access to procedures whereby they can report suspected child abuse at a school site to appropriate child protective agencies.

(cf. 1312.1 - Complaints Concerning District Employees)
(cf. 5141.41 - Child Abuse Prevention Program)

The Superintendent or designee shall establish regulations for use by employees in identifying and reporting child abuse.

District employees shall report known or suspected incidences of child abuse in accordance with district regulations and state law. Employees shall fully cooperate with the child protective agencies responsible for reporting, investigating and prosecuting cases of child abuse.

(cf. 4112.9 - Employee Notifications)

Note: Child abuse authorities strongly recommend inservice training for all school employees in all areas of child abuse identification and reporting requirements. The following optional paragraph applies to certificated staff.

The Superintendent or designee shall provide training in child abuse identification and reporting for all certificated personnel.

Note: The reporting requirements of Penal Code 11165.7 apply to instructional aides, teacher aides, teaching assistants and classified employees who have been trained in the duties of child abuse reporting. Districts that do not provide such training are required to report to the CDE the reasons why training has not been provided. Select one of the following options as appropriate.

OPTION 1 - Districts that provide training in child abuse reporting

The Superintendent or designee shall also provide training in the duties of child abuse identification and reporting to instructional and teacher aides, teacher assistants and other classified employees. (Penal Code 11165.7)

OPTION 2 - Districts that do not provide training in child abuse reporting

Training in child abuse identification and reporting shall not be provided to instructional and teacher aides, teacher assistants and other classified employees. The Superintendent or designee shall report to the California Department of Education the reasons why such training is not provided to these employees. (Penal Code 11165.7)

Note: Penal Code 11165.7 requires the items specified below to be provided in writing to all employees receiving child abuse training.

As part of their training in child abuse identification and reporting, employees shall receive written notice of state child abuse reporting requirements and employees' confidentiality rights. (Penal Code 11165.7)

Employees who work with dependent adults shall be notified of legal responsibilities and reporting procedures pursuant to Welfare and Institutions Code 15630-15637.

Note: In order to reduce unfounded child abuse allegations against employees, csba recommends that inservice training include guidance in avoiding actions which may be misinterpreted or misunderstood, such as those related to discipline or to physical or affectionate encouragement of students. The following paragraph is optional.

In order to reduce or eliminate unfounded child abuse accusations directed at school employees, child abuse inservice training shall include guidance in disciplining students and maintaining ethical relationships with them.

Child Abuse Reporting Procedures

Certificated employees and classified employees trained in child abuse identification and reporting shall report known or suspected child abuse to a child protective agency by telephone immediately or as soon as practically possible and in writing within 36 hours. The reporting duties are individual and cannot be delegated to another individual except under circumstances set forth in Penal Code 11166.

Definitions

Note: The following definition of child abuse is drawn from CDE Legal Advisory LO:3-93, based on Penal Code 273a, 273d and 11165.6.

1. "Child Abuse" includes the following:
 - a. A physical injury inflicted by other than accidental means on a child by another person.
 - b. Sexual abuse of a child.
 - c. Willful cruelty or unjustifiable punishment of a child, or willfully inflicting unjustifiable physical pain or mental suffering, or failure to safeguard a child from these injuries when the child is under a person's care or custody.
 - d. Unlawful corporal punishment or injury resulting in a traumatic condition.
 - e. Neglect of a child or abuse in out-of-home care.
2. "Mandated Reporters" are those people defined by law as "child care custodians," "health practitioners," "child visitation monitors" and "employees of a child protective agency." Mandated reporters include virtually all school employees. The following school personnel are required to report:

Teachers, administrators, supervisors of child welfare and attendance, certificated student personnel employees, employees of a child care institutions, headstart teachers, school psychologists, licensed nurses, counselors, presenters of child abuse prevention programs and those instructional aides or other classified employees trained in child abuse reporting.
- ***Note: The above list of employees may not be complete for all school districts. Include all employee titles appropriate for your district.***
3. "Child Protective Agencies" are those law enforcement and child protective services responsible for investigating child abuse reports, including the local police or sheriff department, county welfare or juvenile probation department and child protective services.
4. "Reasonable Suspicion" means that it is objectively reasonable for a person to entertain such a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his/her training and experience, to suspect child abuse. (Penal Code 11166)

Reporting Procedures

1. To report known or suspected child abuse, any employee (as defined above) shall report by telephone to the local child protective agency.

Note: csba recommends that your administrative regulation include the name, address and phone number of the specific child protective agencies in your area.

(Name of Child Protective Agency)

(Address and Phone Number)

The telephone report must be made immediately, or as soon as practically possible, upon suspicion. This report will include:

- a. The name of the person making the report.
- b. The name of the child.
- c. The present location of the child.
- d. The nature and extent of any injury.
- e. Any other information requested by the child protective agency, including the information that led the mandated reporter to suspect child abuse.

When the verbal report is made, the mandated reporter shall note the name of the official contacted, the date and time contacted, and any instructions or advice received.

2. Within 36 hours of making the telephone report, the mandated reporter shall complete and mail to the local child protective agency a written report which includes a completed Department of Justice form (DOJ SS 8572).

Note: The above forms are supplied by the local child protective agency and should also be made available at school sites.

Mandated reporters may obtain copies of the above form either from the district or the local child protective agency.

Instructions are included on the form, and reporters may ask the site administrator for help in completing and mailing it; however, the mandated reporter is personally responsible for ensuring that the written report is correctly filed.

Note: School districts may establish internal reporting procedures encouraging employees to notify administrators of reports that are made. These internal procedures must not prohibit or impede immediate and direct reporting by employees to child protective agencies. Penal Code 11167 prohibits internal procedures from requiring that the identity of the mandated reporter be disclosed to the district.

3. Employees reporting child abuse to a child protective agency are encouraged, but not required, to notify the site administrator or designee as soon as possible after the initial verbal report by telephone. When so notified, the site administrator shall inform the Superintendent or designee.

Administrators so notified shall provide the mandated reporter with any assistance necessary to ensure that reporting procedures are carried out in accordance with law and district regulations. At the mandated reporter's request, the principal may assist in completing and filing these forms.

If the mandated reporter does not disclose his/her identity to a district administrator, he/she shall at least provide or mail a copy of the written report to the district without his/her signature or name.

Legal Responsibility and Liability

1. Mandated reporters have absolute immunity. School employees required to report are not civilly or criminally liable for filing a required or authorized report of known or suspected child abuse.
2. If a mandated reporter fails to report an instance of child abuse which he/she knows to exist or reasonably should know to exist, he/she is guilty of a misdemeanor punishable by confinement in jail for up to six months, a fine of up to \$1,000, or both. The mandated reporter may also be held civilly liable for damages resulting from any injury to the child after a failure to report.
3. When two or more persons who are required to report have joint knowledge of a suspected instance of child abuse, and when they so agree, the telephone report may be made by either of them and a single report made and signed by that person. However, if any person knows or should know that the designated person failed to make the report, that person then has a duty to do so.
4. The duty to report child abuse is an individual duty and no supervisor or administrator may impede or inhibit such reporting duties. Furthermore, no person making such a report shall be subject to any sanction.

Victim Interviews

Upon request, a child protective agency representative may interview a suspected victim of child abuse during school hours, on school premises, concerning a report of suspected child abuse that occurred within the child's home. The child shall be given the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the child. (Penal Code 11174.3)

Note: The child protective agency representative is designated by law as the person who informs the child of his/her right to the above choice.

A staff member or volunteer aide selected by a child may decline to be present at the interview. If the selected person accepts, the principal or designee shall inform him/her, before the interview takes place, of the following legal requirements:

1. The purpose of the selected person's presence at the interview is to lend support to the child and enable him/her to be as comfortable as possible.
2. The selected person shall not participate in the interview.
3. The selected person shall not discuss the facts or circumstances of the case with the child.
4. The selected person is subject to the confidentiality requirements of the Child Abuse and Reporting Act, a violation of which is punishable as specified in Penal Code 11167.5.

If a staff member agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school. (Penal Code 11174.3)

Release of Child to Peace Officer or Child Protective Services Agent

When a child is released to a peace officer or child protective services agent and taken into custody as a victim of suspected child abuse, the Superintendent or designee and/or principal shall not notify the parent/

guardian as required in other instances of removal of a child from school, but rather shall provide the peace officer or agent with the address and telephone number of the child's parent/guardian. It is the responsibility of the peace officer or agent to notify the parent/guardian of the situation. (Education Code 48906)

Peace officers and child protective services agents will be asked to sign an appropriate release or acceptance of responsibility form.

(cf. 5145.11 - Questioning and Apprehension)

When School Employees are Accused of Child Abuse

Note: The duty to report child abuse is an important one and applies even if the known or suspected child abuse involves a school employee or co-worker.

Regardless of who child abusers may be, the major responsibilities of mandated reporters are to 1) identify incidents of suspected child abuse, and 2) comply with laws requiring the reporting of suspected abuse to the proper authorities. Determining whether or not the suspected abuse actually occurred is not the responsibility of the school employee. Such determination and follow-up investigation will be made by a child protective agency.

Note: We have provided the following options for removing an employee from the job site during the course of an investigation. Districts should consider what effect long-term reassignment or paid leave may have on district resources when implementing the following actions.

Pending the outcome of an investigation by a child protective agency and before formal charges are filed, the employee may be subject to reassignment or a paid leave of absence.

Note: CSBA strongly recommends that districts consult with legal counsel before taking disciplinary action. Possible collective bargaining ramifications should be considered.

Upon filing formal charges or upon conviction, the district may take disciplinary action in accordance with law, district policies, regulations and/or collective bargaining agreements. The Superintendent or designee shall seek legal counsel in connection with either the suspension or dismissal of the employee.

Emergency Epinephrine Auto-Injectors

The Superintendent or designee shall provide epinephrine auto-injectors to school nurses or other employees who have volunteered to administer them in an emergency and have received training. Elementary schools shall, at a minimum, be provided one adult (regular) and one junior epinephrine auto-injector. Secondary schools shall be provided at least one adult (regular) epinephrine auto-injector, unless there are any students at the school who require a junior epinephrine auto-injector. (Education Code 49414)

Emergency Medication for Opioid Overdose

The district may elect to make emergency naloxone hydrochloride or another opioid antagonist available at schools for the purpose of providing emergency medical aid to persons suffering, or reasonably believed to be suffering, from an opioid overdose. In determining whether to make this medication available, the Superintendent or designee shall evaluate the emergency medical response time to the school and determine whether initiating emergency medical services is an acceptable alternative to providing an opioid antagonist and training personnel to administer the medication. (Education Code 49414.3)

When available at the school site, the school nurse shall provide emergency naloxone hydrochloride or another opioid antagonist for emergency medical aid to any person exhibiting potentially life-threatening symptoms of an opioid overdose at school or a school activity. Other designated personnel who have volunteered and have received training may administer such medication when a school nurse or physician is unavailable, and shall only administer the medication by nasal spray or auto-injector. (Education Code 49414.3)

At least once per school year, the Superintendent or designee shall distribute to all staff a notice requesting volunteers to be trained to administer naloxone hydrochloride or another opioid antagonist, describing the training that the volunteer will receive, and explaining the right of the

volunteer to rescind his/her offer to volunteer at any time, including after receiving training. The notice shall also include a statement that no benefit will be granted to or withheld from any employee based on his/her offer to volunteer and that there will be no retaliation against any employee for rescinding his/her offer to volunteer. (Education Code 49414.3)

The principal or designee may designate one or more volunteer employees to receive initial and annual refresher training, based on standards adopted by the SPI, regarding the storage and emergency use of naloxone hydrochloride or another opioid antagonist. The training shall be provided at no cost to the employee, conducted during his/her regular working hours, and be provided by a school nurse or other qualified person designated by an authorizing physician and surgeon. Written materials provided during the training shall be retained at the school for reference. (Education Code 49414.3)

A school nurse, other qualified supervisor of health, or, if the district does not have a qualified supervisor of health, a district administrator shall obtain a prescription for naloxone hydrochloride or another opioid antagonist for each school from an authorized physician and surgeon. Such prescription may be filled by local or mail order pharmacies or manufacturers. (Education Code 49414.3)

If the medication is used, the school nurse, other qualified supervisor of health, or district administrator, as applicable, shall restock the medication as soon as reasonably possible, but no later than two weeks after it is used. In addition, the medication shall be restocked before its expiration date. (Education Code 49414.3)

Information regarding defense and indemnification provided by the district for any and all civil liability for volunteers administering naloxone hydrochloride or another opioid antagonist for emergency aid shall be provided to each volunteer and retained in his/her personnel file. (Education Code 49414.3)

A school may accept gifts, grants, and donations from any source for the support of the school in carrying out the requirements of Education Code 49414.3, including, but not limited to, the acceptance of the naloxone hydrochloride or another opioid antagonist from a manufacturer or wholesaler. (Education Code 49414.3)

The Superintendent or designee shall maintain records regarding the acquisition and disposition of naloxone hydrochloride or another opioid antagonist for a period of three years from the date the records were created. (Business and Professions Code 4119.8)

The admission of a student with a disease that is contagious within the school setting shall be determined by the Superintendent or designee in accordance with standard procedures. The district shall exclude students only in accordance with law.

(cf. 5112.2 - Exclusions from Attendance)
(cf. ~~5141.26~~ - Tuberculosis Testing)
(cf. 5141.3 - Health Examinations)

Students with Bloodborne Pathogen Infections

Note: Of the 250,000 cases of Acquired Immune Deficiency Syndrome (AIDS) reported to the Centers for Disease Control as of January 1993, there were no reported cases of HIV transmission in school or day care settings. However, school districts are required to enact Exposure Control Plans and Universal Precautions for the prevention of contact with potentially infectious body fluids which may contain pathogens such as the hepatitis B virus (HBV) and the human immunodeficiency virus (HIV).

Note: The following optional policy is based, in part, on the fact that schools are more likely to have unknown cases of students with bloodborne pathogens than to have a student who is known to have such an infection.

The Board recognizes that human immunodeficiency virus (HIV) and hepatitis B virus (HBV) are bloodborne pathogens and not casually transmitted. Children with bloodborne pathogen infections are entitled to attend school and receive a free and appropriate public education. The sole presence of bloodborne pathogens is not sufficient reason to exclude students from attending school.

Note: Since HIV/AIDS may result in immunodeficiency, the student with HIV has a greater risk of becoming seriously ill from childhood diseases such as chicken pox or measles. Assessment of the student's risk is best made by the student's private physician.

Parents/guardians are encouraged to inform the Superintendent or designee if their child has HIV/AIDS so that school staff may keep the student's parents/guardians informed of any outbreak of disease at school. The district will work cooperatively with the student's parent/guardian and physician to minimize the child's exposure to other diseases in the school setting.

Note: The following optional paragraph recognizes that infected students and their families may face discrimination and fear from others.

The Board desires to be supportive of students infected with bloodborne pathogens and to help their families cope with difficulties they may face.

The Board believes that schools can play an important role in educating the school community about the nature of bloodborne pathogens and alleviating fears about their transmission.

Note: Pursuant to Section 504 of the Rehabilitation Act (29 U.S.C.794), the courts have held that AIDS is a handicap and a student with AIDS cannot be excluded from regular class without evidence that the student poses a risk of transmission of the HIV virus to classmates or teachers. (Thomas v. Atascadero Unified School District) In addition, a California appellate court has held that a district may be liable for attorneys' fees if it wrongfully refuses to admit a person with AIDS. (Phipps v. Saddleback Valley Unified School District).

Head Lice

BP 5141.33

Students

The Governing Board recognizes that head lice infestations among students require treatment but do not pose a risk of transmitting disease. The Superintendent or designee shall encourage early detection and treatment in a manner that minimizes disruption to the educational program and reduces student absences.

The Superintendent or designee may distribute information to parents/guardians of preschool and elementary students regarding routine screening, symptoms, accurate diagnosis, and proper treatment of head lice infestations. The Superintendent or designee also may provide related information to school staff.

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

School employees shall report all suspected cases of head lice to the school nurse or designee as soon as possible.

If a student is found with active, adult head lice and/or live nits, his/her parent/guardian will be immediately notified to come pick up their child. The parent/guardian of any such student shall be given information about the treatment of head lice and encouraged to begin treatment of the student immediately and to check all members of the family and treat those infected. The parent/guardian also shall be informed that upon returning to school, they shall make every effort to provide their own transportation to school for their child to be inspected before they will be allowed back in to school to ensure that they are lice and/or live nits-free.

Upon the student's return to school, the school nurse or designee shall check the student for active head lice and/or live nits. The student will not be admitted back to school without a clear head inspection. After re-admittance, the student will be inspected weekly for up to 6 weeks. As needed, he/she may provide additional resources and/or referral to the local health department, health care providers, or other agencies.

(cf. 5141.3 - Health Examinations)

(cf. 5141.6 - School Health Services)

If a student is found consistently infested with head lice and/or live nits, he/she may be referred to a multidisciplinary team, which may consist of the school nurse, representatives from the local health department and social services, and other appropriate individuals, to determine the best

approach for identifying and resolving problems contributing to the student's head lice infestations.

(cf. 1020 - Youth Services)
(cf. 5113 - Absences and Excuses)
(cf. 5113.1 - Chronic Absence and Truancy)

When it is determined that one or more students in a class or school are infested with head lice and/or live knits, the principal or designee may, at his/her discretion, notify parents/guardians of students in that class or school and provide them with information about the detection and treatment of head lice.

Staff shall maintain the privacy of students identified as having head lice.

Administrative Regulation

Suicide Prevention

AR 5141.52
Students

Staff Development

Suicide prevention training shall be provided to teachers, counselors, and other district employees who interact with students at the secondary level. The training shall be offered under the direction of a district counselor/psychologist and/or in cooperation with one or more community mental health agencies.

(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)

Materials for training shall include how to identify appropriate mental health services at the school site and within the community, and when and how to refer youth and their families to those services. Materials also may include programs that can be completed through self-review of suitable suicide prevention materials. (Education Code 215)

Staff development shall include research and information related to the following topics:

1. The higher risk of suicide among certain groups, including, but not limited to, students who are bereaved by suicide; students with disabilities, mental illness, or substance use disorders; students who are experiencing homelessness or who are in out-of-home settings such as foster care; and students who are lesbian, gay, bisexual, transgender, or questioning youth
2. Individual risk factors such as previous suicide attempt(s) or self-harm, history of depression or mental illness, family history of suicide or violence, feelings of isolation, interpersonal conflicts, a recent severe stressor or loss, family instability, impulsivity, and other factors

(cf. 5131.6 - Alcohol and Other Drugs)

3. Warning signs that may indicate depression, emotional distress, or suicidal intentions, such as changes in students' personality or behavior and verbalizations of hopelessness or suicidal intent
4. Protective factors that may help to decrease a person's suicide risk, such as resiliency, problem-solving ability, access to mental health care, and positive connections to family, peers,

school, and community

5. Instructional strategies for teaching the suicide prevention curriculum and promoting mental and emotional health
6. School and community resources and services, including resources and services that meet the specific needs of high-risk groups

(cf. 5141.6 - School Health Services)
(cf. 6164.2 - Guidance/Counseling Services)

7. District procedures for intervening when a student attempts, threatens, or discloses the desire to die by suicide

Instruction

The district's comprehensive health education program shall promote the healthy mental, emotional, and social development of students and shall be aligned with the state content standards and curriculum framework. Suicide prevention instruction shall be incorporated into the health education curriculum at appropriate secondary grades and shall be designed to help students:

1. Identify and analyze signs of depression and self-destructive behaviors and understand how feelings of depression, loss, isolation, inadequacy, and anxiety can lead to thoughts of suicide
2. Develop coping and resiliency skills and self-esteem
3. Learn to listen, be honest, share feelings, and get help when communicating with friends who show signs of suicidal intent
4. Identify trusted adults, school resources, and/or community crisis intervention resources where youth can get help and recognize that there is no stigma associated with seeking services for mental health, substance abuse, and/or suicide prevention

(cf. 1020 - Youth Services)
(cf. 5131.6 - Alcohol and Other Drugs)
(cf. 5141.6 - School Health Services)
(cf. 6142.8 - Comprehensive Health Education)
(cf. 6164.2 - Guidance/Counseling Services)

Intervention

Students shall be encouraged to notify a teacher, principal, counselor, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another

student's suicidal intentions.

Every statement regarding suicidal intent shall be taken seriously. Whenever a staff member suspects or has knowledge of a student's suicidal intentions based on the student's verbalizations or act of self-harm, he/she shall promptly notify the principal or school counselor.

Although any personal information that a student discloses to a school counselor shall generally not be revealed, released, referenced, or discussed with third parties, the counselor may report to the principal or student's parents/guardians when he/she has reasonable cause to believe that disclosure is necessary to avert a clear and present danger to the health, safety, or welfare of the student. In addition, the counselor may disclose information of a personal nature to psychotherapists, other health care providers, or the school nurse for the sole purpose of referring the student for treatment. (Education Code 49602)

(cf. 5141 - Health Care and Emergencies)

A school employee shall act only within the authorization and scope of his/her credential or license. An employee is not authorized to diagnose or treat mental illness unless he/she is specifically licensed and employed to do so. (Education Code 215)

Whenever schools establish a peer counseling system to provide support for students, peer counselors shall receive training that includes identification of the warning signs of suicidal behavior and referral of a suicidal student to appropriate adults.

(cf. 5138 - Conflict Resolution/Peer Mediation)

When a suicide attempt or threat is reported, the principal or designee shall ensure student safety by taking the following actions:

1. Immediately securing medical treatment and/or mental health services as necessary
2. Notifying law enforcement and/or other emergency assistance if a suicidal act is being actively threatened
3. Keeping the student under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene
4. Removing other students from the immediate area as soon as possible

(cf. 0450 - Comprehensive Safety Plan)
(cf. 5141 - Health Care and Emergencies)

The principal or designee shall document the incident in writing, including the steps that the school took in response to the suicide attempt or threat.

The Superintendent or designee shall follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed. If the parent/guardian does not access treatment for the student, the Superintendent or designee may meet with the parent/guardian to identify barriers to treatment and assist the family in providing follow-up care for the student. If follow-up care is still not provided, the Superintendent or designee shall consider whether he/she is required, pursuant to laws for mandated reporters of child neglect, to refer the matter to the local child protective services agency.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

For any student returning to school after a mental health crisis, the principal or designee and/or school counselor may meet with the parents/guardians and, if appropriate, with the student to discuss re-entry and appropriate next steps to ensure the student's readiness for return to school.

Postvention

In the event that a student dies by suicide, the Superintendent or designee shall communicate with the student's parents/guardians to offer condolences, assistance, and resources. In accordance with the laws governing confidentiality of student record information, the Superintendent or designee shall consult with the parents/guardians regarding facts that may be divulged to other students, parents/guardians, and staff.

The Superintendent or designee shall implement procedures to address students' and staff's grief and to minimize the risk of imitative suicide or suicide contagion. He/she shall provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. School staff may receive assistance from school counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with students.

Any response to media inquiries shall be handled by the district-designated spokesperson who shall not divulge confidential information. The district's response shall not sensationalize suicide and shall focus on the district's postvention plan and available resources.

(cf. 1112- Media Relations)

After any suicide or attempted suicide by a student, the Superintendent or designee shall provide an opportunity for all staff who responded to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

In developing measures and strategies for use by the district, the Superintendent or designee may consult with school health professionals, school counselors, school psychologists, school social workers, administrators, other staff, parents/guardians, students, local health agencies, mental health professionals, and community organizations.

5. Encouragement for students to notify appropriate school personnel or other adults when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions
6. Crisis intervention procedures for addressing suicide threats or attempts
7. Counseling and other postvention strategies for helping students, staff, and others cope in the aftermath of a student's suicide

As appropriate, these measures and strategies shall specifically address the needs of students who are at high risk of suicide, including, but not limited to, students who are bereaved by suicide; students with disabilities, mental illness, or substance use disorders; students who are experiencing homelessness or who are in out-of-home settings such as foster care; and students who are lesbian, gay, bisexual, transgender, or questioning youth. 5. For junior high and high schools, students enrolled in the school

Annually, site-level discipline rules shall be reviewed and, if necessary, updated to align with any changes in district discipline policies or goals for school safety and climate as specified in the district's local control and accountability plan. A copy of the rules shall be filed with the Superintendent or designee for inclusion in the comprehensive safety plan.

(cf. 0450 - Comprehensive Safety Plan)

School rules shall be communicated to students clearly and in an age-appropriate manner.

It shall be the duty of each employee of the school to enforce the school rules on student discipline. (Education Code 35291)

Disciplinary Strategies

To the extent possible, staff shall use disciplinary strategies that keep students in school and participating in the instructional program. Except when a student's presence causes a danger to

himself/herself or others or he/she commits a single act of a grave nature or an offense for which suspension or expulsion is required by law, suspension or expulsion shall be used only when other means of correction have failed to bring about proper conduct. Disciplinary strategies may include, but are not limited to:

1. Discussion or conference between school staff and the student and his/her parents/guardians

(cf. 5020 - Parent Rights and Responsibilities)
(cf. 6020 - Parent Involvement)

2. Referral of the student to the school counselor or other school support service personnel for case management and counseling

(cf. 5138 - Conflict Resolution/Peer Mediation)
(cf. 6164.2 - Guidance/Counseling Services)

3. Convening of a study team, guidance team, resource panel, or other intervention-related team to assess the behavior and develop and implement an individual plan to address the behavior in partnership with the student and his/her parents/guardians

(cf. 6164.5 - Student Success Teams)

4. When applicable, referral for a comprehensive psychosocial or psychoeducational assessment, including for purposes of creating an individualized education program or a Section 504 plan

(cf. 6159 - Individualized Education Program)
(cf. 6164.6 - Identification and Education under Section 504)

5. Enrollment in a program for teaching prosocial behavior or anger management

6. Participation in a restorative justice program

7. A positive behavior support approach with tiered interventions that occur during the school day on campus

8. Participation in a social and emotional learning program that teaches students the ability to understand and manage emotions, develop caring and concern for others, make responsible decisions, establish positive relationships, and handle challenging situations capably

9. Participation in a program that is sensitive to the traumas experienced by students, focuses on students' behavioral health needs, and addresses those needs in a proactive manner

10. After-school programs that address specific behavioral issues or expose students to

positive activities and behaviors, including, but not limited to, those operated in collaboration with local parent and community groups
(cf. 5148.2 - Before/After School Programs)

11. Recess restriction as provided in the section below entitled "Recess Restriction"
12. Detention after school hours as provided in the section below entitled "Detention After School"
13. Community service as provided in the section below entitled "Community Service"
14. In accordance with Board policy and administrative regulation, restriction or disqualification from participation in extracurricular activities

(cf. 6145 - Extracurricular/Cocurricular Activities)

15. Reassignment to an alternative educational environment

(cf. 6158 - Independent Study)
(cf. 6181 - Alternative Schools/Programs of Choice)
(cf. 6184 - Continuation Education)
(cf. 6185 - Community Day School)

16. Suspension and expulsion in accordance with law, Board policy, and administrative regulation

(cf. 5144.1 - Suspension and Expulsion/Due Process)
(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

When, by law or district policy, other means of correction are required to be implemented before a student could be suspended or expelled, any other means of correction implemented shall be documented and retained in the student's records. (Education Code 48900.5)

(cf. 5125 - Student Records)

Recess Restriction

A teacher may restrict a student's recess time only when he/she believes that this action is the most effective way to bring about improved behavior. When recess restriction may involve the withholding of physical activity from a student, the teacher shall try other disciplinary measures before imposing the restriction. Recess restriction shall be subject to the following conditions:

1. The student shall be given adequate time to use the restroom and get a drink or eat lunch, as appropriate.

2. The student shall remain under a certificated employee's supervision during the period of restriction.
3. Teachers shall inform the principal of any recess restrictions they impose.

(cf. 5030 - Student Wellness)
(cf. 6142.7 - Physical Education and Activity)

Detention After School

Students may be detained for disciplinary reasons up to one hour after the close of the maximum school day. (5 CCR 353)

If a student will miss his/her school bus on account of being detained after school, or if the student is not transported by school bus, the principal or designee shall notify parents/guardians of the detention at least one day in advance so that alternative transportation arrangements may be made. The student shall not be detained unless the principal or designee notifies the parent/guardian.

In cases where the school bus departs more than one hour after the end of the school day, students may be detained until the bus departs. (5 CCR 307, 353)

Students shall remain under the supervision of a certificated employee during the period of detention.

Students may be offered the choice of serving their detention on Saturday rather than after school.

(cf. 6176 - Weekend/Saturday Classes)

Community Service

As part of or instead of disciplinary action, the Board, Superintendent, principal, or principal's designee may, at his/her discretion, require a student to perform community service during nonschool hours on school grounds or, with written permission of the student's parent/guardian, off school grounds. Such service may include, but is not limited to, community or school outdoor beautification, campus betterment, and teacher, peer, or youth assistance programs. (Education Code 48900.6)

This community service option is not available for a student who has been suspended, pending expulsion, pursuant to Education Code 48915. However, if the recommended expulsion is not implemented or the expulsion itself is suspended, then the student may be required to perform community service for the resulting suspension. (Education Code 48900.6)

Notice to Parents/Guardians and Students

At the beginning of the school year, the Superintendent or designee shall notify parents/guardians, in writing, about the availability of district rules related to discipline. (Education Code 35291, 48980)

(cf. 5145.6 - Parental Notifications)

The Superintendent or designee shall also provide written notice of disciplinary rules to transfer students at the time of their enrollment in the district.

Cuyama Joint Unified School District Board Policy

Discipline

BP 5144

Students

The Governing Board is committed to providing a safe, supportive, and positive school environment which is conducive to student learning and to preparing students for responsible citizenship by fostering self-discipline and personal responsibility. The Board believes that high expectations for student behavior, use of effective school and classroom management strategies, provision of appropriate intervention and support, and parent involvement can minimize the need for disciplinary measures that exclude students from instruction as a means for correcting student misbehavior.

- (cf. 5131 - Conduct)
- (cf. 5131.1 - Bus Conduct)
- (cf. 5131.2 - Bullying)
- (cf. 5137 - Positive School Climate)
- (cf. 5138 - Conflict Resolution/Peer Mediation)
- (cf. 5145.9 - Hate-Motivated Behavior)
- (cf. 6020 - Parent Involvement)

The Superintendent or designee shall design a complement of effective, age-appropriate strategies for maintaining a positive school climate and correcting student misbehavior at district schools. The strategies shall focus on providing students with needed supports; communicating clear, appropriate, and consistent expectations and consequences for student conduct; and ensuring equity and continuous improvement in the implementation of district discipline policies and practices.

In addition, the Superintendent or designee's strategies shall reflect the Board's preference for the use of positive interventions and alternative disciplinary measures over exclusionary discipline measures as a means for correcting student misbehavior.

Disciplinary measures that may result in loss of instructional time or cause students to be disengaged from school, such as detention, suspension, and expulsion, shall be imposed only when required by law or when other means of correction have been documented to have failed. (Education Code 48900.5)

- (cf. 5020 - Parent Rights and Responsibilities)
- (cf. 5144.1 - Suspension and Expulsion/Due Process)
- (cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))
- (cf. 6159.4 - Behavioral Interventions for Special Education Students)
- (cf. 6164.5 - Student Success Teams)

The Superintendent or designee shall create a model discipline matrix that lists violations and the consequences for each as allowed by law.

The administrative staff at each school may develop disciplinary rules to meet the school's particular needs consistent with law, Board policy, and district regulations. The Board, at an open meeting, shall review the approved school discipline rules for consistency with Board policy and state law. When choosing between different disciplinary strategies, staff shall consider the effect of each option on the student's health, well-being, and opportunity to learn.

Staff shall enforce disciplinary rules fairly, consistently, and in accordance with the district's nondiscrimination policies.

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 5145.3 - Nondiscrimination/Harassment)

(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)

District goals for improving school climate, based on suspension and expulsion rates, surveys of students, staff, and parents/guardians regarding their sense of school safety, and other local measures, shall be included in the district's local control and accountability plan, as required by law.

(cf. 0460 - Local Control and Accountability Plan)
(cf. 3100 - Budget)

At the beginning of each school year, the Superintendent or designee shall report to the Board regarding disciplinary strategies used in district schools in the immediately preceding school year and their effect on student learning.

Additional Grounds for Suspension and Expulsion: Grades 4-12

Any student in grades 4-12 may be suspended, but not expelled, for disrupting school activities or otherwise willfully defying the valid authority of supervisors, teachers, administrators, other school officials, or other school personnel engaged in the performance of their duties. (Education Code 48900(k))

Sexual harassment means conduct which, when considered from the perspective of a reasonable person of the same gender as the victim, is sufficiently severe or pervasive as to have a negative impact upon the victim's academic performance or to create an intimidating, hostile, or offensive

(cf. 5145.3 - Nondiscrimination/Harassment)

Suspension from Class by a Teacher

A teacher may suspend a student, including a grade K-3 student, from class for the remainder of the day and the following day for disruption, willful defiance, or any of the other acts specified in Education Code 48900 and listed as items #1-18 under "Grounds for Suspension and Expulsion: Grades K-12" above. (Education Code 48910)

When suspending a student from class, the teacher shall immediately report this action to the principal or designee and send the student to the principal or designee for appropriate action. If that action requires the continuing presence of the student at school, he/she shall be appropriately supervised during the class periods from which he/she has been suspended. (Education Code 48910)

As soon as possible after the teacher decides to suspend the student, he/she shall ask the student's parent/guardian to attend a parent-teacher conference regarding the suspension. A counselor or psychologist may attend the conference if it is practicable, and a school administrator shall attend if either the parent/guardian or teacher so requests. (Education Code 48910)

A student suspended from class shall not be returned to class during the period of the suspension without the approval of the teacher of the class and the principal or designee. (Education Code 48910)

A student suspended from class shall not be placed in another regular class during the period of suspension. However, a student assigned to more than one class per day may continue to attend other regular classes except those held at the same time as the class from which he/she was suspended. (Education Code 48910)

The teacher of any class from which a student is suspended may require the student to complete any assignments and tests missed during the removal. (Education Code 48913)

Suspension by Superintendent, Principal or Principal's Designee

To implement disciplinary procedures at a school site, the principal may, in writing, designate as the principal's designee another administrator or, if the principal is the only administrator at the school site, a certificated employee. As necessary, the principal may, in writing, also designate another administrator or certificated employee as the secondary designee to assist with disciplinary procedures when the principal and the principal's primary designee are absent from the school site.

The Superintendent, principal, or designee shall immediately suspend any student found at school or at a school activity to have committed any of the acts listed in the Board policy under "Authority to Expel" and for which he/she is required to recommend expulsion. (Education Code 48915(c))

The Superintendent, principal, or designee may impose a suspension for a first offense if he/she determines that the student violated any of items #1-5 listed under "Grounds for Suspension and Expulsion: Grades K-12" above or if the student's presence causes a danger to persons. (Education Code 48900.5)

For all other offenses, a student may be suspended only when the Superintendent or principal has determined that other means of correction have failed to bring about proper conduct in the student. (Education Code 48900.5)

When other means of correction are implemented prior to imposing suspension or supervised suspension upon a student, the Superintendent, principal, or designee shall document the other means of correction used and retain them in the student's record. (Education Code 48900.5)

(cf. 5125 - Student Records)

Length of Suspension

The Superintendent, principal, or designee may suspend a student from school for not more than five consecutive school days. (Education Code 48911)

A student may be suspended from school for not more than 20 school days in any school year. However, if a student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class for the purpose of adjustment, he/she may be suspended for not

more than 30 school days in a school year. The district may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code 48903, 48911, 48912)

(cf. 6184 - Continuation Education)

These restrictions on the number of days of suspension shall not apply when the suspension is extended pending an expulsion. (Education Code 48911)

Due Process Procedures for Suspension

Suspensions shall be imposed in accordance with the following procedures:

1. **Informal Conference:** Suspension shall be preceded by an informal conference conducted by the Superintendent, principal, or designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action, presented with the available evidence against him/her, and given the opportunity to present his/her version and evidence in support of his/her defense. (Education Code 48911)

This conference may be omitted if the Superintendent, principal, or designee determines that an emergency situation exists involving a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of the conference and the conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such a case, the conference shall be held as soon as the student is physically able to return to school. (Education Code 48911)

2. **Administrative Actions:** All requests for student suspension are to be processed by the principal or designee. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee. (Education Code 48911)

3. **Notice to Parents/Guardians:** At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall also be notified in writing of the suspension. (Education Code 48911)

This notice shall state the specific offense committed by the student. (Education Code 48900.8)

In addition, the notice may state the date and time when the student may return to school.

4. **Parent/Guardian Conference:** Whenever a student is suspended, school officials may

request a meeting with the parent/guardian to discuss the cause(s) and duration of the suspension, the school policy involved, and any other pertinent matter. (Education Code 48914)

If school officials request to meet with the parent/guardian, the notice may state that the law requires the parent/guardian to respond to such requests without delay. However, no penalties may be imposed on the student for the failure of the parent/guardian to attend such a conference. The student may not be denied reinstatement solely because the parent/guardian failed to attend the conference. (Education Code 48911)

5. Extension of Suspension: If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision, provided the following requirements are followed: (Education Code 48911)

a. The extension of the original period of suspension is preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension.

b. The Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process. (Education Code 48911)

c. If the student involved is a foster youth, the Superintendent or designee shall notify the district liaison for foster youth of the need to invite the student's attorney and a representative of the appropriate county child welfare agency to attend the meeting. (Education Code 48853.5, 48911, 48918.1)

(cf. 6173.1 - Education for Foster Youth)

d. If the student involved is a homeless child or youth, the Superintendent or designee shall notify the district liaison for homeless students. (Education Code 48918.1)

(cf. 6173 - Education for Homeless Children)

In lieu of or in addition to suspending a student, the Superintendent, principal, or designee may provide services or require the student to participate in an alternative disciplinary program designed to correct his/her behavior and keep him/her in school.

Suspension by the Board

The Board may suspend a student for any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion: Grades 4-12" above and within the limits specified under "Suspension by Superintendent, Principal, or

Designee" above. (Education Code 48912)

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester. The suspension shall meet the requirements of Education Code 48915. (Education Code 48912.5)

When the Board is considering a suspension, disciplinary action, or any other action (except expulsion) against any student, it shall hold a closed session if a public hearing would lead to disclosure of information violating a student's right to privacy under Education Code 49073-49079. (Education Code 35146, 48912)

(cf. 9321 - Closed Session Purposes and Agendas)

The Board shall provide the student and his/her parent/guardian with written notice of the closed session by registered or certified mail or personal service. Upon receiving this notice, the student or parent/guardian may request a public meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice. However, any discussion that conflicts with any other student's right to privacy still shall be held in closed session. (Education Code 35146, 48912)

On-Campus Suspension

A student for whom an expulsion action has not been initiated and who poses no imminent danger or threat to the school, students, or staff may be assigned to on-campus suspension in a separate classroom, building, or site for the entire period of suspension. The following conditions shall apply: (Education Code 48911.1)

1. The on-campus suspension classroom shall be staffed in accordance with law.
2. The student shall have access to appropriate counseling services.
3. The on-campus suspension classroom shall promote completion of schoolwork and tests missed by the student during the suspension.
4. The student shall be responsible for contacting his/her teacher(s) to receive assignments to be completed in the supervised suspension classroom. The teacher(s) shall provide all assignments and tests that the student will miss while suspended. If no such work is assigned, the person supervising the suspension classroom shall assign schoolwork.

At the time a student is assigned to an on-campus suspension classroom, the principal or designee shall notify the student's parent/guardian in person or by telephone. When the assignment is for longer than one class period, this notification may be made in writing. (Education Code 48911.1)

Superintendent or Principal's Authority to Recommend Expulsion

Unless the Superintendent or principal determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct, he/she shall recommend a student's expulsion for any of the following acts: (Education Code 48915)

1. Causing serious physical injury to another person, except in self-defense
2. Possession of any knife or other dangerous object of no reasonable use to the student
3. Unlawful possession of any controlled substance as listed in Health and Safety Code 11053-11058, except for (a) the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis, or (b) the student's possession of over-the-counter medication for his/her use or other medication prescribed for him/her by a physician
4. Robbery or extortion
5. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee

In determining whether or not to recommend the expulsion of a student, the Superintendent, principal, or designee shall act as quickly as possible to ensure that the student does not lose instructional time. (Education Code 48915)

Student's Right to Expulsion Hearing

Any student recommended for expulsion shall be entitled to a hearing to determine whether he/she should be expelled. The hearing shall be held within 30 school days after the Superintendent, principal, or designee determines that the student has committed the act(s) that form the basis for the expulsion recommendation. (Education Code 48918(a))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code 48918(a))

If the Board finds it impractical during the regular school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))

If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. (Education Code 48918(a))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code 48918(a))

Stipulated Expulsion

After a determination that a student has committed an expellable offense, the Superintendent, principal, or designee shall offer the student and his/her parent/guardian the option to waive a hearing and stipulate to the expulsion or to a suspension of the expulsion under certain conditions. The offer shall be made only after the student or his/her parent/guardian has been given written notice of the expulsion hearing pursuant to Education Code 48918.

The stipulation agreement shall be in writing and shall be signed by the student and his/her parent/guardian. The stipulation agreement shall include notice of all the rights that the student is waiving, including the waiving of his/her right to have a full hearing, to appeal the expulsion to the County Board of Education, and to consult legal counsel.

A stipulated expulsion agreed to by the student and his/her parent/guardian shall be effective upon approval by the Board.

Rights of Complaining Witness

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental, or emotional needs of a student who is the complaining witness. (Education Code 48918.5)

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, he/she shall give the complaining witness a copy of the district's suspension and expulsion policy and regulation and shall advise the witness of his/her right to: (Education Code 48918.5)

1. Receive five days' notice of his/her scheduled testimony at the hearing
2. Have up to two adult support persons of his/her choosing present at the hearing at the time he/she testifies
3. Have a closed hearing during the time he/she testifies

Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending. (Education Code 48918.5)

Written Notice of the Expulsion Hearing

Written notice of the expulsion hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include: (Education Code 48900.8, 48918(b))

1. The date and place of the hearing
2. A statement of the specific facts, charges, and offense upon which the proposed expulsion is based
3. A copy of district disciplinary rules which relate to the alleged violation
4. Notification of the student's or parent/guardian's obligation, pursuant to Education Code 48915.1, to provide information about the student's status in the district to any other district in which the student seeks enrollment

This obligation applies when a student is expelled for acts other than those described in Education Code 48915(a) or (c).

(cf. 5119 - Students Expelled from Other Districts)

5. The opportunity for the student or the student's parent/guardian to appear in person or be represented by legal counsel or by a nonattorney adviser

Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.

Nonattorney adviser means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case and has been selected by the student or student's parent/guardian to provide assistance at the hearing.

6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses

Additional Notice of Expulsion Hearing for Foster Youth and Homeless Students

If the student facing expulsion is a foster student, the Superintendent or designee shall also send notice of the hearing to the student's attorney and a representative of an appropriate child welfare agency at least 10 days prior to the hearing. (Education Code 48918.1)

If the student facing expulsion is a homeless student, the Superintendent or designee shall also send notice of the hearing to the district liaison for homeless students at least 10 days prior to the

hearing. (Education Code 48918.1)

Any notice for these purposes may be provided by the most cost-effective method possible, including by email or a telephone call. (Education Code 48918.1)

Conduct of Expulsion Hearing

1. **Closed Session:** Notwithstanding Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such a request is made, the meeting shall be public to the extent that privacy rights of other students are not violated. (Education Code 48918)

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether or not the student should be expelled. If the Board admits any other person to this closed session, the parent/guardian, the student, and the counsel of the student also shall be allowed to attend the closed session. (Education Code 48918(c))

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to have his/her testimony heard in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including, but not limited to, videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918(c))

2. **Record of Hearing:** A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. (Education Code 48918(g))

3. **Subpoenas:** Before commencing a student expulsion hearing, the Board may issue subpoenas, at the request of either the student or the Superintendent or designee, for the personal appearance at the hearing of any person who actually witnessed the action that gave rise to the recommendation for expulsion. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with Code of Civil Procedure 1985-1985.2 and enforced in accordance with Government Code 11455.20. (Education Code 48918(i))

Any objection raised by the student or the Superintendent or designee to the issuance of subpoenas may be considered by the Board in closed session, or in open session if so requested by the student, before the meeting. The Board's decision in response to such an objection shall be final and binding. (Education Code 48918(i))

If the Board determines, or if the hearing officer or administrative panel finds and

submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below. (Education Code 48918(i))

4. Presentation of Evidence: Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel shall be supported by substantial evidence that the student committed any of the acts pursuant to Education Code 48900 and listed in "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion: Grades 4-12" above. (Education Code 48918(h))

Findings of fact shall be based solely on the evidence at the hearing. Although no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918(f))

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

5. Testimony by Complaining Witnesses: The following procedures shall be observed when a hearing involves allegations of sexual assault or sexual battery by a student: (Education Code 48918, 48918.5)

a. Any complaining witness shall be given five days' notice before being called to testify.

b. Any complaining witness shall be entitled to have up to two adult support persons, including, but not limited to, a parent/guardian or legal counsel, present during his/her testimony.

c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.

d. The person presiding over the hearing may remove a support person whom he/she finds is disrupting the hearing.

e. If one or both support persons are also witnesses, the hearing shall be conducted in accordance with Penal Code 868.5.

f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of a

complaining witness shall not be admissible for any purpose.

g. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the district shall provide a nonthreatening environment.

(1) The district shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.

(2) At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which he/she may leave the hearing room.

(3) The person conducting the hearing may:

(a) Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness

(b) Limit the time for taking the testimony of a complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours

(c) Permit one of the support persons to accompany the complaining witness to the witness stand

6. Decision: The Board's decision as to whether to expel a student shall be made within 40 school days after the student is removed from his/her school of attendance, unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

Alternative Expulsion Hearing: Hearing Officer or Administrative Panel

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. The Board may also appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled. (Education Code 48918)

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures applicable to a hearing conducted by the Board as specified above in "Conduct of Expulsion Hearing," including the requirement to issue a decision within 40 school days of the student's removal from school, unless the student requests that the decision be postponed. (Education Code 48918(a) and (d))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the expulsion proceeding shall be terminated and the student shall be immediately

reinstated and permitted to return to the classroom instructional program from which the referral was made, unless another placement is requested in writing by the student's parent/guardian. Before the student's placement decision is made by his/her parent/guardian, the Superintendent or designee shall consult with the parent/guardian and district staff, including the student's teachers, regarding other placement options for the student in addition to the option to return to the classroom instructional program from which the student's expulsion referral was made. The decision to not recommend expulsion shall be final. (Education Code 48918(e))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code 48918(f))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion. If the hearing officer or administrative panel recommends that the Board expel a student but suspend the enforcement of the expulsion, the student shall not be reinstated and permitted to return to the classroom instructional program from which the referral was made until the Board has ruled on the recommendation. (Education Code 48917, 48918)

Final Action by the Board

Whether the expulsion hearing is conducted in closed or public session by the Board, a hearing officer, or an administrative panel or is waived through the signing of a stipulated expulsion agreement, the final action to expel shall be taken by the Board in public. (Education Code 48918(j))

(cf. 9321.1 - Closed Session Actions and Reports)

The Board's decision is final. If the decision is to not expel, the student shall be reinstated immediately. If the decision is to suspend the enforcement of the expulsion, the student shall be reinstated under the conditions of the suspended expulsion.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for any act listed under "Mandatory Recommendation and Mandatory Expulsion" above, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during summer session or the intersession period of a year-round program, the Board shall set a date when the student shall be reviewed for readmission not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which may include: (Education Code 48916)

1. Periodic review, as well as assessment at the time of review, for readmission
2. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs

With parent/guardian consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code 48916.5)

Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

1. The specific offense committed by the student for any of the causes for suspension or expulsion listed above under "Grounds for Suspension and Expulsion: Grades K-12" or "Additional Grounds for Suspension and Expulsion: Grades 4-12". (Education Code 48900.8)
2. The fact that a description of readmission procedures will be made available to the student and his/her parent/guardian. (Education Code 48916)
3. Notice of the right to appeal the expulsion to the County Board. (Education Code 48918)
4. Notice of the alternative educational placement to be provided to the student during the time of expulsion. (Education Code 48918)
5. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1. (Education Code 48918)

Decision to Suspend Expulsion Order

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion order, the Board shall take into account the following criteria:

1. The student's pattern of behavior
2. The seriousness of the misconduct
3. The student's attitude toward the misconduct and his/her willingness to follow a

rehabilitation program

The suspension of the enforcement of an expulsion shall be governed by the following:

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class, or program appropriate for the student's rehabilitation. This rehabilitation program may provide for the involvement of the student's parent/guardian in the student's education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program. (Education Code 48917)
2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status. (Education Code 48917)
3. The suspension of the enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12" or "Additional Grounds for Suspension and Expulsion: Grades 4-12" above or violates any of the district's rules and regulations governing student conduct. (Education Code 48917)
4. When the suspension of enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order. (Education Code 48917)
5. Upon satisfactory completion of the rehabilitation assignment, the Board shall reinstate the student in a district school. Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings. (Education Code 48917)
6. The Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian. The notice shall inform the parent/guardian of the right to appeal the expulsion to the County Board, the alternative educational placement to be provided to the student during the period of expulsion, and the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of his/her status with the expelling district, pursuant to Education Code 48915.1(b). (Education Code 48918(j))
7. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the County Board. (Education Code 48917)

Appeal

The student or parent/guardian is entitled to file an appeal of the Board's decision with the County Board. The appeal must be filed within 30 days of the Board's decision to expel, even if the expulsion order is suspended and the student is placed on probation. (Education Code 48919)

If the student submits a written request for a copy of the written transcripts and supporting documents from the district simultaneously with the filing of the notice of appeal with the County Board, the district shall provide the student with these documents within 10 school days following the student's written request. (Education Code 48919)

Notification to Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245. (Education Code 48902)

The principal or designee also shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance. In addition, law enforcement authorities shall be notified regarding any acts by students regarding the possession, sale, or furnishing of firearms, explosives, or other dangerous weapons in violation of Education Code 48915(c)(1) or (5) or Penal Code 626.9 and 626.10. (Education Code 48902)

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate city or county law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering, or sale of controlled substances, alcohol, or intoxicants of any kind. (Education Code 48902)

Placement During Expulsion

The Board shall refer expelled students to a program of study that is: (Education Code 48915, 48915.01)

1. Appropriately prepared to accommodate students who exhibit discipline problems
2. Not provided at a comprehensive middle, junior, or senior high school or at any elementary school, unless the program is offered at a community day school established at any of these
3. Not housed at the school site attended by the student at the time of suspension

(cf. 6158 - Independent Study)
(cf. 6185 - Community Day School)

When the placement described above is not available and when the County Superintendent so certifies, students expelled for only acts described in items #6-12 under "Grounds for Suspension and Expulsion: Grades K-12" and items #1-3 under "Additional Grounds for Suspension and Expulsion: Grades 4-12" above may be referred to a program of study that is provided at another comprehensive middle, junior, or senior high school or at an elementary school. (Education Code 48915)

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of grades 7-12. (Education Code 48916.1)

Readmission After Expulsion

Prior to the date set by the Board for the student's readmission:

1. The Superintendent or designee shall hold a conference with the parent/guardian and the student. At the conference, the student's rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met. School regulations shall be reviewed and the student and parent/guardian shall be asked to indicate in writing their willingness to comply with these regulations.

2. The Superintendent or designee shall transmit to the Board his/her recommendation regarding readmission. The Board shall consider this recommendation in closed session. If a written request for open session is received from the parent/guardian or adult student, it shall be honored to the extent that privacy rights of other students are not violated.

3. If the readmission is granted, the Superintendent or designee shall notify the student and parent/guardian, by registered mail, of the Board's decision regarding readmission.

4. The Board may deny readmission only if it finds that the student has not satisfied the conditions of the rehabilitation plan or that the student continues to pose a danger to campus safety or to other district students or employees. (Education Code 48916)

5. If the Board denies the readmission of a student, the Board shall determine either to continue the student's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school.

6. The Board shall provide written notice to the expelled student and parent/guardian describing the reasons for denying readmittance into the regular program. This notice shall indicate the Board's determination of the educational program which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district. (Education Code 48916)

No student shall be denied readmission into the district based solely on the student's arrest, adjudication by a juvenile court, formal or informal supervision by a probation officer, detention in a juvenile facility, enrollment in a juvenile court school, or other such contact with the juvenile justice system. (Education Code 48645.5)

Maintenance of Records

The district shall maintain a record of each suspension and expulsion, including its specific cause(s). (Education Code 48900.8)

Expulsion records of any student shall be maintained in the student's mandatory interim record and sent to any school in which the student subsequently enrolls upon written request by that school. (Education Code 48918(k))

The Superintendent or designee shall, within five working days, honor any other district's request for information about an expulsion from this district. (Education Code 48915.1)

Suspension And Expulsion/Due Process

BP 5144.1

Students

The Governing Board desires to provide district students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare and well-being, and promotes their learning and development. The Board shall develop rules and regulations setting the standards of behavior expected of district students and the disciplinary processes and procedures for addressing violations of those standards, including suspension and/or expulsion.

(cf. 5131 - Conduct)

(cf. 5131.1 - Bus Conduct)

(cf. 5131.2 - Bullying)

The grounds for suspension and expulsion and the procedures for considering, recommending, and/or implementing suspension and expulsion shall be only those specified in law, in this policy, and in the accompanying administrative regulation.

Except when otherwise permitted by law, a student may be suspended or expelled only when his/her behavior is related to a school activity or school attendance occurring within any district school or another school district, regardless of when it occurs, including, but not limited to, the following: (Education Code 48900(s))

1. While on school grounds
2. While going to or coming from school
3. During the lunch period, whether on or off the school campus

(cf. 5112.5 - Open/Closed Campus)

4. During, going to, or coming from a school-sponsored activity

District staff shall enforce the rules concerning suspension and expulsion of students fairly, consistently, equally, and in accordance with the district's nondiscrimination policies.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Appropriate Use of Suspension Authority

Except when a student's act violates Education Code 48900(a)-(e), as listed in items #1-5 under "Grounds for Suspension and Expulsion: Grades K-12" of the accompanying administrative regulation, or when his/her presence causes a danger to others, suspension shall be used only when other means of correction have failed to bring about proper conduct. (Education Code 48900.5, 48900.6)

(cf. 1020 - Youth Services)
(cf. 5138 - Conflict Resolution/Peer Mediation)
(cf. 5144 - Discipline)
(cf. 6142.4 - Service Learning/Community Service Classes)
(cf. 6164.2 - Guidance/Counseling Services)
(cf. 6164.5 - Student Success Teams)

A student's parents/guardians shall be notified as soon as possible when there is an escalating pattern of misbehavior that could lead to on-campus or off-campus suspension.

No student in grades K-3 may be suspended for disruption or willful defiance, except by a teacher pursuant to Education Code 48910. (Education Code 48900)

Students shall not be suspended or expelled for truancy, tardiness, or absenteeism from assigned school activities.

(cf. 5113 - Absences and Excuses)
(cf. 5113.1 - Chronic Absence and Truancy)

On-Campus Suspension

To ensure the proper supervision and ongoing learning of students who are suspended for any of the reasons enumerated in Education Code 48900 and 48900.2, but who pose no imminent danger or threat to anyone at school and for whom expulsion proceedings have not been initiated, the Superintendent or designee shall establish a supervised suspension classroom program which meets the requirements of law.

Except where a supervised suspension is permitted by law for a student's first offense, supervised suspension shall be imposed only when other means of correction have failed to bring about proper conduct. (Education Code 48900.5)

Authority to Expel

A student may be expelled only by the Board. (Education Code 48918(j))

As required by law, the Superintendent or principal shall recommend expulsion and the Board shall expel any student found to have committed any of the following "mandatory recommendation and mandatory expulsion" acts at school or at a school activity off school grounds: (Education Code 48915)

1. Possessing a firearm which is not an imitation firearm, as verified by a certificated employee, unless the student had obtained prior written permission to possess the item from a certificated school employee, with the principal or designee's concurrence

(cf. 5131.7 - Weapons and Dangerous Instruments)

2. Selling or otherwise furnishing a firearm

3. Brandishing a knife at another person

4. Unlawfully selling a controlled substance listed in Health and Safety Code 11053-11058

5. Committing or attempting to commit a sexual assault as defined in Penal Code 261, 266c, 286, 288, 288a, or 289, or committing a sexual battery as defined in Penal Code 243.4

6. Possessing an explosive as defined in 18 USC 921

For all other violations listed in the accompanying administrative regulation under "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion: Grades 4-12," the Superintendent or principal shall have the discretion to recommend expulsion of a student. If expulsion is recommended, the Board shall order the student expelled only if it makes a finding of either or both of the following: (Education Code 48915(b) and (e))

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct

2. That due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others

A vote to expel a student shall be taken in a public session.

The Board may vote to suspend the enforcement of the expulsion order pursuant to the requirements of law and the accompanying administrative regulation. (Education Code 48917)

No student shall be expelled for disruption or willful defiance. (Education Code 48900)

Due Process

The Board shall provide for the fair and equitable treatment of students facing suspension and/or expulsion by affording them their due process rights under the law. The Superintendent or designee shall comply with procedures for notices, hearings, and appeals as specified in law and administrative regulation. (Education Code 48911, 48915, 48915.5, 48918)

(cf. 5119 - Students Expelled from Other Districts)

(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

Maintenance and Monitoring of Outcome Data

The Superintendent or designee shall annually present to the Board a report of the outcome data which the district is required to collect pursuant to Education Code 48900.8 and 48916.1, including the number of students recommended for expulsion, the grounds for each recommended expulsion, the actions taken by the Board, the types of referral made after each expulsion, and the disposition of the students after the expulsion period.

The report shall be disaggregated by school and by numerically significant student subgroups, including, but not limited to, ethnic subgroups, socioeconomically disadvantaged students, English learners, foster youth, and students with disabilities. The report also shall include information about whether and how the district is meeting its goals for improving school climate as specified in its local control and accountability plan.

Students shall have the right to exercise freedom of speech and of the press in official school publications, except for expression that is obscene, libelous, slanderous, or so incites students as to create a clear and present danger of the commission of unlawful acts on school premises, the violation of lawful school regulations, or the substantial disruption of the orderly operation of the school. (Education Code 48907)

Official school publications includes material produced by students in journalism, newspaper, yearbook, or writing classes and distributed to the student body either for a fee or free. (Education Code 48907)

Each principal shall develop a school publications code outlining the responsibility of student journalists, editors, and publication advisors.

All student submissions shall be held to professional standards of English and journalism. (Education Code 48907)

If the principal considers material submitted for publication to violate Education Code 48907, he/she shall notify the student, without undue delay, and give specific reasons why the submitted material may not be published. Absent extraordinary circumstances, such notice should be given in sufficient time to allow the student time to either modify the material or to seek review of the principal's determination from the Superintendent or designee. Prior to any restriction of student speech, school officials shall consider any feasible alternative options to restricting the speech.

To the extent that the principal or designee believes that the school and district should be disassociated from a particular idea or opinion, the principal may require student articles to include disclaimers.

Distribution of Printed Materials and Petitions by Students

The principal or designee may provide bulletin boards on which students and student organizations may post materials of general interest. Students also may post or distribute handbills, leaflets, and other printed material, whether produced within or outside of the school. Students may collect signatures on petitions concerning school or non-school issues.

(cf. 1325 - Advertising and Promotion)
(cf. 6145.5 - Student Organizations and Equal Access)

Printed materials or petitions may be distributed only:

1. Before or after school or during lunch time
2. In locations that do not obstruct the normal flow of traffic within the school or at entrances

No student shall use coercion to induce any other student or person to accept printed matter or to sign a petition. No funds shall be collected for any material distributed.

(cf. 5131 - Conduct)

Clothing, Buttons, and Badges

Buttons, badges, armbands, and clothing bearing slogans or sayings may be worn unless their message falls into the categories prohibited by law and Board policy. No employee shall interfere with this practice on the grounds that the message may be controversial or unpopular with students or faculty.

The notice shall also inform all students and parents/guardians that, to the extent possible, the district will address any individual student's

interests and concerns in private.

(cf. 5145.6 - Parental Notifications)

5. The Superintendent or designee shall ensure that students and parents/guardians, including those with limited English proficiency, are notified of how to access the relevant information provided in the district's nondiscrimination policy and related complaint procedures, notices, and forms in a language they can understand.

Such training and information shall include details of guidelines the district may use to provide a discrimination-free environment for all district students, including transgender and gender-nonconforming students.

Any student who feels that he/she has been subjected to unlawful discrimination described above or in district policy is strongly encouraged to immediately contact the compliance officer, principal, or any other staff member. In addition, any student who observes any such incident is strongly encouraged to report the incident to the compliance officer or principal, whether or not the alleged victim files a complaint.

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported shall report the incident to the compliance officer or principal within a school day, whether or not the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When a verbal report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is made to or received by the principal or compliance

officer, he/she shall make a note of the report and encourage the student or parent/guardian to file the complaint in writing, pursuant to the provisions in AR 1312.3 - Uniform Complaint Procedures. Once notified verbally or in writing, the principal or compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, compliance officer, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

Transgender and Gender-Nonconforming Students

Gender identity of a student means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense of his/her gender, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

Transgender student means a student whose gender identity is different from the gender he/she was assigned at birth.

Regardless of whether they are sexual in nature, acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment are prohibited. Examples of the types of conduct which are prohibited in the district and which may constitute gender-based harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with his/her gender identity

2. Disciplining or disparaging a student or excluding him/her from participating in activities for behavior or appearance that is consistent with his/her gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable
3. Blocking a student's entry to the bathroom that corresponds to his/her gender identity
4. Taunting a student because he/she participates in an athletic activity more typically favored by a student of the other sex
5. Revealing a student's transgender status to individuals who do not have a legitimate need for the information, without the student's consent
6. Use of gender-specific slurs
7. Physical assault of a student motivated by hostility toward him/her because of his/her gender, gender identity, or gender expression

The district's uniform complaint procedures (AR 1312.3) shall be used to report and resolve complaints alleging discrimination against transgender and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list, as well as improper rejection by the district of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's transgender status, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that transgender and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the district shall address each situation on a case-by-case basis, in accordance with the following guidelines:

1. Right to privacy: A student's transgender or gender-nonconforming status is his/her private information and the district shall only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the district shall only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the district pursuant to 34 CFR 99.31. Any district employee to whom a student's transgender or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a district employee by a student, the employee shall seek the student's permission to notify the compliance officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless he/she is required to disclose or report the student's information pursuant to this administrative regulation, and shall inform the student that honoring the student's request may limit the district's ability to meet the student's needs related to his/her status as a transgender or gender-nonconforming

student. If the student permits the employee to notify the compliance officer, the employee shall do so within three school days.

As appropriate given the student's need for support, the compliance officer may discuss with the student any need to disclose the student's transgender or gender-nonconformity status or gender identity or gender expression to his/her parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The district shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

(cf. 1340 - Access to District Records)

(cf. 3580 - District Records)

2. **Determining a Student's Gender Identity:** The compliance officer shall accept the student's assertion of his/her gender identity and begin to treat the student consistent with his/her gender identity unless district personnel present a credible and supportable basis for believing that the student's assertion is for an improper purpose.

3. **Addressing a Student's Transition Needs:** The compliance officer shall arrange a meeting with the student and, if appropriate, his/her parents/guardians to identify and develop strategies for ensuring that the student's access to education programs and activities is maintained. The meeting shall discuss the transgender or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer shall identify specific school site employee(s) to whom the student may report any problem related to his/her status as a transgender or gender-nonconforming individual, so that prompt action could be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the arrangements for the student are meeting his/her educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.

4. **Accessibility to Sex-Segregated Facilities, Programs, and Activities:** When the district maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity. To address any student's privacy concerns in using sex-segregated facilities, the district shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, access to a staff member's office, or use of the locker room before or after the other students. However, the district shall not require a student to utilize these options because he/she is transgender or gender-nonconforming. In addition, a student shall be permitted to participate in accordance with his/her gender identity in other circumstances where

students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with his/her gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.

(cf. 6145 - Extracurricular and Cocurricular Activities)

(cf. 6145.2 - Athletic Competition)

(cf. 6153 - School-Sponsored Trips)

(cf. 7110 - Facilities Master Plan)

5. Student Records: A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed pursuant to a court order. However, at the written request of a student or, if appropriate, his/her parents/guardians, the district shall use the student's preferred name and pronouns consistent with his/her gender identity on all other district-related documents. Such preferred name may be added to the student's record and official documents as permitted by law.

(cf. 5125 - Student Records)

(cf. 5125.1 - Release of Directory Information)

6. Names and Pronouns: If a student so chooses, district personnel shall be required to address the student by a name and the pronouns consistent with his/her gender identity, without the necessity of a court order or a change to his/her official district record. However, inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or consistent pronouns will, in general, not constitute a violation of this administrative regulation or the accompanying district policy.

7. Uniforms/Dress Code: A student has the right to dress in a manner consistent with his/her gender identity, subject to any dress code adopted on a school site.

BP 5145.3

The Governing Board desires to provide a safe school environment that allows all students equal access and opportunities in the district's academic, extracurricular, and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, national origin, nationality, ethnicity, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression or association with a person or group with one or more of these actual or perceived characteristics.

This policy shall apply to all acts related to school activity or to school attendance occurring within a district school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school.

Unlawful discrimination also includes the creation of a hostile environment through prohibited conduct that is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. He/she shall provide training and information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program. He/she shall report his/her findings and recommendations to the Board after each review.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. (cf. 1312.3 - Uniform Complaint Procedures)

Prohibited sexual harassment includes, but is not limited to, unwelcome sexual advances, unwanted requests for sexual favors, or other unwanted verbal, visual, or physical conduct of a sexual nature made against another person of the same or opposite sex in the educational setting, under any of the following conditions: (Education Code 212.5; 5 CCR 4916)

1. Submission to the conduct is explicitly or implicitly made a term or condition of a student's academic status or progress.
2. Submission to or rejection of the conduct by a student is used as the basis for academic decisions affecting the student.
3. The conduct has the purpose or effect of having a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment.
4. Submission to or rejection of the conduct by the student is used as the basis for any decision affecting the student regarding benefits and services, honors, programs, or activities available at or through any district program or activity.

- (cf. 5131 - Conduct)
- (cf. 5131.2 - Bullying)
- (cf. 5137 - Positive School Climate)
- (cf. 5145.3 - Nondiscrimination/Harassment)
- (cf. 6142.1 - Sexual Health and HIV/AIDS Prevention Instruction)

Examples of types of conduct which are prohibited in the district and which may constitute sexual harassment include, but are not limited to:

1. Unwelcome leering, sexual flirtations, or propositions
2. Unwelcome sexual slurs, epithets, threats, verbal abuse, derogatory comments, or sexually degrading descriptions
3. Graphic verbal comments about an individual's body or overly personal conversation
4. Sexual jokes, derogatory posters, notes, stories, cartoons, drawings, pictures, obscene gestures, or computer-generated images of a sexual nature
5. Spreading sexual rumors

12. Electronic communications containing comments, words, or images described above

Any prohibited conduct that occurs off campus or outside of school-related or school-sponsored programs or activities will be regarded as sexual harassment in violation of district policy if it has a continuing effect on or creates a hostile school environment for the complainant or victim of the conduct.

Reporting Process and Complaint Investigation and Resolution

Any student who believes that he/she has been subjected to sexual harassment by another student, an employee, or a third party or who has witnessed sexual harassment is strongly

encouraged to report the incident to his/her teacher, the principal, or any other available school employee. Within one school day of receiving such a report, the school employee shall forward the report to the principal or the district's compliance officer identified in AR 1312.3. In addition, any school employee who observes an incident of sexual harassment involving a student shall, within one school day, report his/her observation to the principal or a district compliance officer. The employee shall take these actions, whether or not the alleged victim files a complaint.

When a report or complaint of sexual harassment involves off-campus conduct, the principal shall assess whether the conduct may create or contribute to the creation of a hostile school environment. If he/she determines that a hostile environment may be created, the complaint shall be investigated and resolved in the same manner as if the prohibited conduct occurred at school.

When a verbal or informal report of sexual harassment is submitted, the principal or compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with the district's uniform complaint procedures. Regardless of whether a formal complaint is filed, the principal or compliance officer shall take steps to investigate the allegations and, if sexual harassment is found, shall take prompt action to stop it, prevent recurrence, and address any continuing effects.

If a complaint of sexual harassment is initially submitted to the principal, he/she shall, within two school days, forward the report to the compliance officer to initiate investigation of the complaint. The compliance officer shall contact the complainant and investigate and resolve the complaint in accordance with law and district procedures specified in AR 1312.3.

In investigating a sexual harassment complaint, evidence of past sexual relationships of the victim shall not be considered, except to the extent that such evidence may relate to the victim's prior relationship with the respondent.

In any case of sexual harassment involving the principal, compliance officer, or any other person to whom the incident would ordinarily be reported or filed, the report may instead be submitted to the Superintendent or designee who shall determine who will investigate the complaint.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

Confidentiality

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964)

However, when a complainant or victim of sexual harassment notifies the district of the harassment but requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the harassment or take other necessary action. When honoring a request for confidentiality, the district will nevertheless take all reasonable steps to investigate and respond to the complaint consistent with the request.

When a complainant or victim of sexual harassment notifies the district of the harassment but requests that the district not pursue an investigation, the district will determine whether or not it can honor such a request while still providing a safe and nondiscriminatory environment for all students.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)
(cf. 5125 - Student Records)

Response Pending Investigation

When an incident of sexual harassment is reported, the principal or designee, in consultation with the compliance officer, shall determine whether interim measures are necessary pending the results of the investigation. The principal/designee or compliance officer shall take immediate measures necessary to stop the harassment and protect students and/or ensure their access to the educational program. To the extent possible, such interim measures shall not disadvantage the complainant or victim of the alleged harassment. Interim measures may include placing the individuals involved in separate classes or transferring a student to a class taught by a different teacher, in accordance with law and Board policy. The school should notify the individual who was harassed of his/her options to avoid contact with the alleged harasser and allow the complainant to change academic and extracurricular arrangements as appropriate. The school should also ensure that the complainant is aware of the resources and assistance, such as counseling, that are available to him/her. As appropriate, such actions shall be considered even when a student chooses to not file a formal complaint or the sexual harassment occurs off school grounds or outside school-sponsored or school-related programs or activities.

Notifications

A copy of the district's sexual harassment policy and regulation shall:

1. Be included in the notifications that are sent to parents/guardians at the beginning of each school year (Education Code 48980; 5 CCR 4917)

(cf. 5145.6 - Parental Notifications)

2. Be displayed in a prominent location in the main administrative building or other area where notices of district rules, regulations, procedures, and standards of conduct are posted (Education Code 231.5)

(cf. 1113 - District and School Web Sites)

The district strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult who has experienced off-campus sexual harassment that has a continuing effect on campus to immediately contact his/her teacher, the principal, or any other available school employee. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students
6. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made
7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues

A clear message that, when needed, the district will take interim measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation and that, to the extent possible, when such interim measures are taken, they shall not disadvantage the complainant or victim of the alleged harassment

Complaint Process and Disciplinary Actions

Sexual harassment complaints by and against students shall be investigated and resolved in accordance with law and district procedures specified in AR 1312.3 - Uniform Complaint Procedures. Search And Seizure

BP 5145.12
Students

The Governing Board is fully committed to promoting a safe learning environment and, to the extent possible, eliminating the possession and use of weapons, illegal drugs, and other controlled substances by students on school premises and at school activities. As necessary to protect the health and welfare of students and staff, school officials may search students, their property, and/or district property under their control and may seize illegal, unsafe, or otherwise prohibited items.

(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)

Individual Searches

School officials may search any individual student, his/her property, or district property under his/her control when there is a reasonable suspicion that the search will uncover evidence that he/she is violating the law, Board policy, administrative regulation, or other rules of the district or the school. Reasonable suspicion shall be based on specific and objective facts that the

search will produce evidence related to the alleged violation. The types of student property that may be searched by school officials include, but are not limited to, lockers, desks, purses, backpacks, student vehicles parked on district property, cellular phones, or other electronic communication devices.

Any search of a student, his/her property, or district property under his/her control shall be limited in scope and designed to produce evidence related to the alleged violation. Factors to be considered by school officials when determining the scope of the search shall include the danger to the health or safety of students or staff, such as the possession of weapons, drugs, or other dangerous instruments, and whether the item(s) to be searched by school officials are reasonably related to the contraband to be found. In addition, school officials shall consider the intrusiveness of the search in light of the student's age, gender, and the nature of the alleged violation.

Employees shall not conduct strip searches or body cavity searches of any student. (Education Code 49050)

Searches of individual students shall be conducted in the presence of at least two district employees.

The principal or designee shall notify the parent/guardian of a student subjected to an individualized search as soon as possible after the search.

(cf. 5145.11 - Questioning and Apprehension by Law Enforcement)

Searches of Multiple Student Lockers/Desks

All student lockers and desks are the property of the district. The principal or designee may conduct a general inspection of school properties that are within the control of students, such as lockers and desks, on a regular, announced basis, with students standing by their assigned lockers or desks. Any items contained in a locker or desk shall be considered to be the property of the student to whom the locker or desk was assigned.

Use of Contraband Detection Dogs

In an effort to keep the schools free of dangerous contraband, the district may use specially trained, nonaggressive dogs to sniff out and alert staff to the presence of substances prohibited by law or Board policy.

The dogs may sniff the air around lockers, desks, or vehicles on district property or at district-sponsored events. Dogs shall not sniff within the close proximity of students or other persons and may not sniff any personal items on those persons without their consent.

When a child is eligible for both the preschool program and the district's transitional kindergarten program, the family may choose the most appropriate program for the child. In accordance with the enrollment priorities described below, the child may be enrolled in both programs provided that the child is not enrolled in both programs for the same time period on the same day.

(cf. 5111 - Admission)
(cf. 6170.1 - Transitional Kindergarten)

Eligibility for subsidized preschool shall be as follows:

If unable to enroll a child in this category, the district shall refer the child's parent/guardian to local resource and referral services so that services for the child can be located. (Education Code 8236; 5 CCR 18131)

(cf. 1020 - Youth Services)

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

(Education Code 8235; 5 CCR 18133)

The district's decision to approve or deny a child's enrollment shall be communicated to the family through a written Notice of Action mailed or delivered within 30 days from the date the application is signed by the parent/guardian. (5 CCR 18094, 18095, 18118)

(cf. 5145.6 - Parental Notifications)

(cf. 3580 - District Records)
(cf. 5125 - Student Records)

Fees and Charges

Fees for participation in the district's preschool program shall be assessed and collected in accordance with the fee schedule established by the Superintendent of Public Instruction. (Education Code 8273, 8273.2; 5 CCR 18078)

(cf. 3260 - Fees and Charges)

However, no fee shall be charged to an income-eligible family whose child is enrolled in a part-day preschool program, a family that is receiving CalWORKs cash aid, or a family that is otherwise exempted pursuant to Education Code 8273.1. (Education Code 8273.1; 5 CCR 18110)

In addition, any family qualifying for subsidized preschool on the basis of having a child who is a recipient of child protective services, or having a certification by a county child welfare agency that services continue to be necessary, may be exempt from these fees for up to 12 months. Any family whose child is receiving subsidized preschool on the basis of being at risk of abuse, neglect, or exploitation may be exempt from these fees for up to three months, unless the family becomes eligible based on receipt of child protective services or certification of need by a county child welfare agency. The cumulative period of exemption for these purposes shall not exceed 12 months. (Education Code 8273.1)

The Superintendent or designee shall establish a process that involves parents/guardians in determining whether to require parents/guardians to provide diapers. This process shall also be used to determine whether and how much to charge parents/guardians for field trip expenses, within the limit specified in law. A child shall not be denied participation in a field trip due to the parent/guardian's inability or refusal to pay the fee, and no adverse action shall be taken against a parent/guardian for that inability or refusal. (Education Code 8273.3)

Disenrollment

When necessary due to a reduction in state reimbursements, families shall be disenrolled in the following order: (Education Code 8236, 8263.3)

1. Children 3 years of age whose families have the highest income in relation to family size shall be disenrolled first, followed by children 4 years of age whose families have the highest income in relation to family size.

At each age level, if two or more families have the same income ranking, the child with disabilities shall be disenrolled last. If there are no families that have a child with disabilities, the child who has received services the longest shall be disenrolled first.

2. Families of children 3 or 4 years of age who are receiving child protective services or who have been documented to be at risk of being neglected, abused, or exploited, regardless of income, shall be disenrolled last.

Parent Hearing

If a parent/guardian disagrees with any district action to deny his/her child's eligibility for subsidized preschool services, disenroll the child due to a funding shortage, increase or decrease fees, increase or decrease the amount of services, terminate services, or otherwise change the level of services, he/she may file a request for a hearing with the Superintendent or designee within 14 calendar days of the date the Notice of Action was received. Within 10 calendar days of receiving the request for a hearing, the Superintendent or designee shall notify the parent/guardian of the time and place of the hearing, which, to the extent possible, shall be convenient for the parent/guardian. (5 CCR 18120)

The hearing shall be conducted in accordance with the procedures specified in 5 CCR 18120 by a district administrator who is at a staff level higher in authority than the staff person who made the contested decision. Within 10 calendar days after the hearing, the district administrator shall mail or deliver a written decision to the parent/guardian. If the parent/guardian disagrees with the written decision, he/she may, within 14 calendar days, appeal the decision to the CDE. (5 CCR 18120-18122)
